

# Our Holiday Goods Are Now Ready

If you know what stocks we have had in previous years and then know that this one is larger than ever, you will realize that there is pleasure in store for you when you come to inspect it.

## PLEASE DO THIS

Come in as soon as you can and look carefully through the entire line of goods. You will see scores of articles that will suggest gifts for those you have to choose for. These suggestions will prove a vast help to you by making final choice easy.

There is no other stock like ours in this part of the state and it is worth while to see it as soon as you can.

Holiday buying begins a little earlier each season and before the buying you should scan the goods so as to have the best possible choice. Come in this week by all means and take time to see all the goods.

## A Few Suggestions

We can only give general details of the stock here and will provide further information later. What we wish to do now is to awaken enough interest to induce you to make an early start on the inspection of holiday gifts. It always pays. You will get ideas, you will have widest choice, you will have a chance to secure novelties that may not be here later.
