**WOOL GROWERS  
CALLED**

**SECRETARY SMYTHE POINTS OUT  
IMPORTANT DATA.**

Legislation Will be Discussed as Viewed by Different Men.

Dan B. Smythe, secretary of the Oregon Wool Growers' association, has sent an urgent call to sheep growers of Union county to attend the annual convention in Portland in January. Important information to the local members of the association is contained in the official call, appended herewith:

The 13th Annual Convention of the Oregon Wool Growers' Association will be held at Portland, Oregon, January 3rd, 1911, just one day before the opening of the great 47th Annual Convention of the National Association, and Mid-Winter Sheep Show.

The O. R. & N. Ry. Co., have granted a 1-3 fare for round trip with privilege of attending both conventions.

Portland and her Commercial club are making elaborate preparations to give the Wool Growers bounteous and sumptuous entertainment. These two conventions coming together promise to be a great and most significant gathering of sheepmen.

It is up to us to show our appreciation to Portland by accepting her invitation in person next January and help welcome our brother sheepmen.

It will be a business session discussing Tariff, Forest Reserves, Quarantine and Speed Limit Laws, Predatory Animals, Wool Sales, appointment of advisory boards and other subjects important and vital to the industry. The most prominent and expert men in America on these subjects have places on the program of the National Convention.

The Mid-Winter Sheep Show promises to be the best ever held in America. Come and bring your friends. Everybody welcome.

**O. A. C. TO EXPERIMENT**

**DRY FARMING TO BE TRIED BY  
THAT SCHOOL SOON.**

Various districts of State Where the Practice is New, to See Tests.

Portland, Ore., Dec. 5. (Special)—Experiments in dry farming in semi-arid sections of Oregon and in irrigation in the Willamette Valley region, where the practice has never been tried systematically, will be conducted by the government in conjunction with the Oregon Agricultural college. President Kerr of that institution has just returned from the east where he secured the promise from the federal authorities to co-operate in the work and a central experiment station for dry farming will be established in Harney county.

Results of carefully conducted experiments along these lines are awaited with considerable interest by settlers who will be most directly benefited.
