**Take Care!**

Remember that when your kidneys are affected your life is in danger. M. Mayer, Rochester, N. Y., says: "Foley Kidney Pills are a wonderful discovery and I heartily recommend their use. My trouble started with a sharp shooting pain over my back which grew worse each day. I felt sluggish and tired, my kidney action was irregular and infrequent with a fine

sand-like substance. While the disease was at its worst I started using Foley Kidney Pills. Their prompt and efficient action was marvelous. Each dose seemed to put new life and strength into me, and now I am completely cured and feel better and stronger than for years." Hill's Drug Store.

**RAPID PROGRESS IS MADE**

**STORMY WEATHER WILL SOON HAVE N OHINDRANCE.**

Krutschmitt Will Not Likely Come to La Grande This Time.

Favored with suitable weather and with a full complement of men, contractors on the O. R. & N. machine shop building are able to rush their work, and the structure will soon be finished to such a point as will preclude any hinder from bad weather. The brick work is not quite finished but so nearly so that it is but a matter of a few days until it will be.

The roofing gang has made splendid headway. The entire space has been covered with boards and paper and laying of tar commences tomorrow. The hot tar is spread over the paper and hot pebbles are scattered over the tar making a mater proof and substantial roofing.

Nothing has been done toward interior work, but that is a matter which can be attended to if stormy weather should set in.

**Krutschmitt Not Coming.**

It is the general belief that Julius Krutschmitt, former director of maintenance for the Harriman system, but now assuming the position held by Judge Lovett after the death of Harriman, will not come to La Grande. Newspaper reports herald his approach to Portland today, and while it is possible he will inspect the Eastern Oregon wing of the Harriman system, such is not thought likely. Local officials had not heard from Mr. Krutschmitt directly or indirectly this morning.

J. W. Greer, Greenwood, La., suffered with a severe case of lumbago. "At times the pains were so intense, I was forced to hypodermic injections for relief," he says. "These attacks started with a slight pain in the small of my back which gradually became fairly paralyzing in effect. My attention was attracted to Foley's Kidney Remedy and I am glad to say after using this wonderful medicine I am no longer bothered in any way by my old enemy, lumbago." Hill's Drug store.
