#### OCEAN NIGHT LETTERS.

Local Office Now in Readiness to Accept New Kind of Mail Matter.

The Western Union Telegraph Co. announced today another innovation in telegraph service called the "Special Ocean Mail Service," designed to save time in foreign correspondence. A letter from San Francisco to London requires as much time crossing the continent as it does crossing the ocean. A New York merchant writing to Yokohama must post his letter practically a week before the mail steamer sails from San Francisco or Vancouver.

The Western Union has arranged for the use of its night letter and other telegraphic service in connection with outgoing ocean mails so that this week of transcontinental time may be saved. Its New York office will receive telegrams from any part of the country destined to European addresses and will forward them in a sealed specially addressed envelope by the first outgoing Atlantic steamship mail. The same plan will be followed in San Francisco, Seattle and Vancouver for trans-pacific mails.

This will enable correspondence to be dispatched from any part of the United States for an ocean mail within a few hours of sailing time. The only charge in addition to the usual telegraph tolls to the ocean mail port will be five cents for postage. Telegraph should bear the full mail address to the foreign correspondent for San Francisco, Seattle or Vancouver, as the case may be. No charge will be made for the address.

#### INDIGESTION.

Relief in Five Minutes and Permanent Cure or Money Back.

When the Newlin Drug Co. states that they have a remedy that only costs 50 cents and is guaranteed to cure any man or woman who suffers from food fermentation or money back, what are the poor stomach sufferers in La Grande and vicinity going to do about it?

Food fermentation causes belching, sour stomach, gas eructation, heartburn and that lump of lead feeling as you probably know.

The name of this most remarkable stomach prescription is MI-O-NA. Most people call them MI-O-NA stomach tablets because they know that there is no remedy so good for indigestion or stomach disorders. Here is one opinion:

"I have been troubled with indigestion for more than a year. I bought one box of MI-O-NA and it cured me. Now I would not be without a box in the house for \$5.00. It saves a lot of doctor bills when you can be cured for 50 cents." Arthur Sederquest, 6 Nicholas St., Wakefield, Mass.

MI-O-NA stomach tablets cost 50 cents a box at the Newlin Drug Co. and druggists everywhere and money back if they don't cure.
