Many Killed in Battle. Galveston, Tex., Dec. 15—Three hundred Mexican soldiers mostly rebels were killed or wounded in a battle today between the federal insurgents near the Guerrero. Reports were received at the cable station here. General Navarro marched against the rebels early this morning and put them to flight.

Raid Bucket Shops. Chicago, Dec. 15—Half a dozen alleged bucket shops were raided today by the police and their proprietors and clerks arrested on charges of using the mails to defraud. The raids were made at the instigation of the federal authorities who for some time have been quietly investigating the complaints of fraud by victims all over the country. Wagon loads of prisoners were rushed to the jail. Federal authorities would

not talk and it is believed the raids were planned on bigger shops.

UNWRITTEN LAW INVOKED. Portland Man Shoots Wife's Paramour in Her Bedroom Last Night.

Portland, Ore., Dec. 15—Mrs. Mary Chamberlain, the wife of George Chamberlain, of a moving picture show and who stabbed and killed Andrew Massin, a shingle maker, when found in his wife's bed room last night, today said that she witnessed the affray and said she felt responsible for the whole occurrence. She admitted she deceived her husband, Chamberlain suspected her and lay in wait. Massin was sitting on the bed and she in it when he burst into the room and stabbed just as the victim pulled a gun. Both were jailed but there is no charge yet against Chamberlain.

OLD OFFICERS TO "DIE."

Official Decapitation Will Take Place Just Before New Men Come In.

In order to straighten out the difficulties arising over the short term provisions of the charter whereby the dates of elective and appointive offices are all to commence on the first of January, the council last evening decided to cut off all appointive officers' heads just before this council and administration retires in favor of the incoming body. In this way the new mayor will have a chance to make his appointments when he takes office and not wait until March when the new councilmen take office. It is presumed the decapitation will take place two weeks from last night.

The ordinance increasing the salary of the city attorney was passed last evening.

It Is Hard to Beat.

The pictures running at the Isis today and tonight seem to have reached the acme of picture perfection. Peck's Bad Boy is tame compared with the pranks of the two children of a rich man, and every move is so plain and distinct that one is taken back to childhood's days. The colorings are artistic and the whole show is a gem.

OLD MEN RETIRED.

Industrial Concerns Will Engage Only Young Men.

In these days of strenuous competition when dividends count for more than men, the man who retains his youth is the man who holds his job the longest.

That is why one of the most successful dermatologists in Paris has warned young men to take good care of the hair. If you grow bald at 30 or 35 or even when you are older, that bald spot will so far as appearance goes add 10 years to your life.

Men who have hair should by all means keep it. In later years it may mean a livelihood to yourself and family.

Dandruff means falling hair; falling hair means dandruff. Go to the Newlin Drug Co., and get a large 50 cent bottle of Parisian Sage. They will guarantee it to stop falling hair; to drive out all dandruff and kill the dandruff germs, or money back.

Remember that the man with a bald head who seeks a position is handicapped at the start. Parisian Sage will make hair grow, will give it a lustrous appearance that denotes health and youthfulness. For sale by the Newlin Drug Co. and druggists everywhere. Girl with Auburn hair on every bottle. Dec. 14 24 Jan 4
