#### WOOLGROWERS HAVE PROBLEM.

Next Session of Congress May Tangle With Schedule.

Portland, Ore., Dec. 16 (Special)—When the National Wool Growers' Association meets in Portland next month in annual convention, the session will resemble a consultation of physicians over a complicated case. The problem to be solved is how to keep the next congress from making a jig saw puzzle out of Schedule K, which is in grave danger, its friends fear, of being cut to pieces when the Democrats get in control of the next House.

This will be the dominant topic of the convention beyond a doubt. No less than 6,000 sheep raisers from all parts of the country will be in attendance and there will be many a discussion over the threatened tariff changes as they affect the wool men.

President Fred W. Gooding of the National Association, in discussing matters that will engage the attention of the delegates when they meet in convention said:

"One of our chief concerns as followers of the oldest line of husbandry of which history speaks is the assault that has recently been so persistently made upon the wool and woollens schedules in the Payne-Aldrich tariff law. Discussions that will be held in the convention will be educational. Not only is the general public almost entirely uninformed, or rather misinformed, in regard to the merits of the tariff rates on wool and woollens, but I believe that a very large majority of the wool growers themselves have but little idea of the importance of the subject.

"If through the discussions that will be held in the convention, nothing more is accomplished than the removal of the prejudices that have been engendered by the muck-rakers in the magazines, and the mudslingers on the political hustlings against the wool growers and woolen manufacturers, the convention will have been well worth hearing."

#### IF WOMEN ONLY KNEW

What a Heap of Happiness it Would Bring to La Grande Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause that

Backache pains come from sick kidneys.

'Twould save much needless woe.

Doan's Kidney Pills cure sick kidneys.

Many residents of this vicinity endorse them.

Mrs. A. D. Allen, Auburn St., Sumpter, Ore., says: "About a year ago I used Doan's Kidney Pills and I have held a high opinion of them ever since. I suffered a great deal from backache and severe pains through my kidneys and hips. Whenever I stopped, sharp twinges darted across my sides and I was also caused much trouble by a kidney weakness. Doan's Kidney Pills relieved all these difficulties and restored my kidneys to a normal condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
