Franklin Would Have Been Amazed

If his vision could have extended far enough into the haze of evolution to foresee the ultimate triumph of incandescent electric lighting—the GENERAL ELECTRIC MADZA LAMP.

The sage old philosopher flew his kite during a thunder storm, and by means of a key attracted and discovered electricity, but evolution decreed that modern inventive genius should discover an incandescent lamp that is revolutionizing artificial light.

THE GENERAL ELECTRIC MADZA LAMP gives nearly three times the light of the ordinary carbon incandescent—and costs no more to operate. In addition to this it gives light of a vastly superior quality—a clear white light like the sun's rays.

Everywhere people are having their houses wired for electric light, since the invention of the GENERAL ELECTRIC MADZA LAMP. It has made electricity as cheap as it is convenient. Come in for a moment today and let us prove to your entire satisfaction that there is no longer a possible excuse for you to be without the greatest of all household conveniences—electric light.

ISIS DRAWS FULL HOUSES.

Popular Picture House Continues to Draw Big Crowds.

The Isis last night changed reels and the change was not a disappointment to the big crowds present at both performances. The Masquerade Cop, an Essany film, was a comic picture that was a laugh from start to finish; Hank and Lank, the escapades of two brothers was also a good picture. Grandmother's Plot a Gaumont film is a picture with very clever acting. Sunshine Sue is the title of a picture that well deserves the name. To appreciate it you must see it. The popular song, Show Me the Way to Dreamland as sung by Mr. C. P. Fern took you to Dreamland almost. It was good. The matinee this afternoon was well attended and is popular with the ladies.

Dr. W. H. Keating

The Well Known Eyesight Specialist again in the city

and is kept very busy, as so many have been waiting for this noted specialist to visit here to have proper glasses fitted, as they run no chances of being misfitted. He has with him a special grinding outfit so you can have your glasses the same day, or in two hours' notice, after having your eyes examined and and carries the latest instruments for testing the eyes. No guess work in fitting glasses with the use of these instruments. So don't fail to see him about your eyes or glasses this visit if you are having trouble with them. If glasses are required they are fitted scientifically, and satisfaction is guaranteed. Call and let him give you references of the many satisfied people who are wearing glasses fitted by him in La Grande.

Now at O'CONNELL Rooming House.

PICANNINIES AT THE ORPHEUM

Billy Robinson and His Chocolate Drop Quartet a Headliner.

Billy Robinson and his chocolate quartet continue to be the headliners at the Orpheum the last few days. The youngsters sing the old plantation and levee songs well, dance those old popular buck and wing and all the other ins and outs that the southern negro is noted for, and give a first class gymnastic exhibition besides. Their quartet singing is very good, and Robinson himself makes a hit in his impersonation of the plantation negro "mammy," Grace Zampa, the little song and dance artist won her share of the applause last night with her clever sketch. Golden & Keating, in a novelty singing and dancing and monologue stunt is good also. These performers will be seen tonight and at the matinee Sunday which closes their engagement here.
