### Take Care!

Remember that when your kidneys are affected your life is in danger. M. Mayer, Rochester, N. Y., says: "Foley Kidney Pills are a wonderful discovery and I heartily recommend their use. My trouble started with a sharp shooting pain over my back which grew worse each day. I felt sluggish and tired, my kidney action was irregular and infrequent with a fine sand-like substance. While the disease was at its worst I started using Foley Kidney Pills. Their prompt and efficient action was marvelous. Each dose seemed to put new life and strength into me, and now I am completely cured and feel better and stronger than for years."
