## Franklin Would Have Been Amazed

If his vision could have extended far enough into the haze of evolution to foresee the ultimate triumph of incandescent electric lighting—the GENERAL ELECTRIC MADZA LAMP.

The sage old philosopher flew his kite during a thunder storm, and by means of a key attracted and discovered electricity, but evolution decreed that modern inventive genius should discover an incandescent lamp that is revolutionizing artificial light.

THE GENERAL ELECTRIC MADZA LAMP gives nearly three times the light of the ordinary carbon incandescent—and costs no more to operate. In addition to this it gives light of a vastly superior quality—a clear white light like the sun's rays.

Everywhere people are having their houses wired for electric light, since the invention of the GENERAL ELECTRIC MADZA LAMP. It has made electricity as cheap as it is convenient. Come in for a moment today and let us prove to your entire satisfaction that there is no longer a possible excuse for you to be without the greatest of all household conveniences—electric light.

### LOCAL THEATRES

#### At the Orpheum.

For the beginning of the holidays Manager Gardiner has booked all headliners for the performance this week. Owing to the late arrival of Weiser & Weiser, the first number on the program was omitted. This team made the jump from Nelson, B. C. Jim Smith, the Chinese impersonator, was as near a real Chink as an American could get and got the glad hand from the audience for his clever impersonations. His monologue work was the best that has been seen here. Willis & Estelle, novelty entertainers and ventriloquists were also headliners and their work was clever and deserves especial mention. Over the River Charlie, a fill in act of a dis-

and is kept very busy, as so many have been waiting for this noted specialist to visit here to have proper glasses fitted, as they run no chances of being misfitted. He has with him a special grinding outfit so you can have your glasses the same day, or in two hours' notice, after having your eyes examined and and carries the latest instruments for testing the eyes. No guess work in fitting glasses with the use of these instruments. So don't fail to see him about your eyes or glasses this visit if you are having trouble with them. If glasses are required they are fitted scientifically, and satisfaction is guaranteed. Call and let him give you references of the many satisfied people who are wearing glasses fitted by him in La Grande.

#### At The Isis.

The reels change tonight at the Isis popular picture house. The Rough Riders Romance proved a very popular picture to the theatregoers. It taught a lesson, wherein men reckon not on the depth of a woman's love. Such tragedies as pictured by this is happening every day. The Widow of Mill Creek Gulch was another popular reel. The rough playfulness of the miners proves the old axiom that after all, men are just grown up boys. Tonight a complete new change of pictures will be seen, which Manager Sherwood says will be up to the usual high standard. For particulars see the house ad.
