## WEATHER RECORD ON DEED

PIONEER RECORDER RECALLS ACTION OF LONG AGO.

During Terribly Cold Weather, Noted Records on Deed Books.

Not only is the fact disclosed that years ago it was much colder in Union county than it is now days, but also that the county deed record book was made a weather bureau record is the interesting light thrown on what is almost ancient history in this county. Yesterday W. T. Wright, the pioneer of Union was at the court house and he was reminded through conversation about weather and records, that in 1883 when he was recorder of conveyance and the court house was at Union, he had made notations in the deed book as to the weather. Since then other recorders have been through the books time and time again but it is doubtful if they have seen these notations—plain enough when attention is called to them. At least County Recorder Snook has not seen them during his career in the office. The notations are made on the bottom of the page and might easily be passed over unnoticed.

Wright Placed Them There. In the winter of 1883 Mr. Wright was recorder and an unusually low temperature was reached, he decided to make official notations of them and then in later years there would be absolute proof of what records had been reached. He wrote it in the deed book and it is not likely that they have been seen from that day to yesterday. Mr. Wright knew just where he had placed them and a hasty research revealed them readily enough.

The notations made are: "Reported from North Powder, Feb. 3, '83 52 below zero. Reported at Union, Feb. 4, '88 below zero. Reported Feb. 5, '61 below zero. At North Powder the same day, 34 below zero. (Signed) W. T. Wright."

### THEY ALL DEMAND IT.

La Grande, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve but do not cure. Here is evidence to prove that Doan's Kidney Pills cure, and the cure is lasting.

H. P. Swisher, 2467 Madison St., Baker City, Ore., says: "Kidney complaint in my case was caused by excessive horseback riding. The backache steadily became worse as time passed and there were other annoying symptoms of kidney complain in evidence. Learning of Doan's Kidney Pills I began their use and they not only restored my kidneys to a normal condition, but rid me of the backache and pains. I shall always take pleasure in recommending Doan's Kidney Pills." (Statement given November 4, 1907.)

### Lasting Results.

Mr. Swisher was interviewed on May 28, 1910, and he added to the above. "The cure made by Doan's Kidney Pills in my case has been permanent. I gladly confirm all I have previously said about this remedy."
