### PHONES AID TO WESTERN UNION

Effective on January 1, 1911, arrangements have been made to extend to every telephone subscriber of the Pacific States Telephone and Telegraph company the privilege of sending and receiving Western Union telegrams by telephone. It has been the practice for some time for the Western Union to handle telegrams in the larger cities by telephone to as large an extent as practicable but with the introduction of this new plan, it is intended to give subscribers of telephones at outlying points and those for whom the subscribers will vouch, the privilege of handling telegrams over the telephone in a systematic and up to date manner, which will allow people who desire to avail themselves of this service a very much greater latitude than has heretofore been given and a much more satisfactory and complete service will be performed in connection with the arrangement. The Western Union Telegraph company has established a number of new all night telegraph offices on the Pacific coast and within the state of Oregon, Portland, Eugene, Baker City, Ashland and The Dalles have been designated as central points for the purpose of handling telegrams within a certain territory surrounding each of the above named offices. It is the intention within a certain area to have these all night offices handle telegrams which are destined to offices that have been closed for the night; that is, if a telegram is addressed to a person who is a subscriber to a telephone at some point within a limited distance or the Western Union all night office, such party will be notified that a telegram has been received for him and the city or town from which this telegram originates will be stated. Then if he desires to have the telegram forwarded to him by telephone, it will be done with the usual telephone rates added. Likewise, should the subscriber wish to send a telegram in the middle of the night

to some party at a considerable distance, he may request the telephone company to connect him with the Western Union all night office and the telegram may be started on its journey without the least delay. This virtually makes every telephone subscriber a residence and all night telegraph office, as he will have the privilege of sending and may receive telegrams at any hour of the night regardless of whether the local telegraph office is open or closed. Of course, this facility is not confined entirely to the limited territory of the Pacific Coast, but has been placed in operation throughout the entire United States and telephone subscribers may start a message on a journey at night feeling sure that if it is of sufficient importance it may be delivered at its destination by telephone.

#### IN FIVE MINUTES.

**Upset Stomach Feels Splendid.**

In three days they will make the most miserable or cranky dyspeptic feel that there is plenty of sunshine in life.

In a week he will have an appetite for and will eat without any bad after affects food which now causes his stomach to strenuously rebel.

If continued for from two weeks to a month MI-O-NA will thoroughly renovate and cleanse the stomach and will compel it, (no matter how obstinate it may be) to throw off its weakness and become, as nature intended it should be, strong and elastic.

Of course you want a good syringe when you buy one. The pains we take in selecting such goods insure you one that will be right in every way if you buy here. The Newlin Drug Co.
