Miss Helen Barham who will appear as Necla in the Barrier on Wednesday evening at the Steward Opera house is a great enthusiast of breaking horses. While in Cheyenne last year during the Frontier Day Contest she won great applause for her daring feats with wild horses. Not only did she conquer her mounts, but succeeded in teaching the animal long vacations on her ranch in Montana. Miss Barham was traveling through this country some years ago and the train being delayed on account of a wreck she decided to take a walk. The country seemed so beautiful and so ideal for her vacation that upon returning immediately proceeded to arrange to purchase the land. It proved to be some of the best grazing land in the state and from a small stock with which she started now has over a thousand head of cattle. She breaks all of her own riding horses and is as much at home at this task as on the stage. Her portrayal of "Necla" is made doubly interesting by her delightful western personality which has won her such favor throughout the country.

At the Orpheum.

Although only two acts were shown at the Orpheum last night, both were clear and entertaining performances. The Markhams in a novelty singing and comedian skit made good from the start by their local comedian hits. Their singing, both as duets and solos were good. Abdallan & Abdallan, the Arabian acrobats gave a high class act and performed difficult feats seldom seen in vaudeville. One act in particular was that of turning a backward handspring and dislocating the neck, then by a sudden twist and turn of the body coming to an upright position, bringing the neck back into place. Both these clever Arabians are beautifully muscled and developed and are beautiful examples of the physical culture art.

INDIGESTION.Relief in Five Minutes and Permanent
Cure or Money Back.

When the Newlin Drug Co. states that they have a remedy that only costs 50 cents and is guaranteed to cure any man or woman who suffers from food fermentation or money back, what are the poor stomach sufferers in La Grande and vicinity going to do about it?

Food fermentation causes belching, sour stomach, gas eructation, heartburn and that lump of lead feeling as you probably know.

The name of this most remarkable stomach prescription is MI-O-NA. Most people call them MI-O-NA stomach tablets because they know that there is no remedy so good for indigestion or stomach disorders. Here is one opinion:

"I have been troubled with indigestion for more than a year. I bought one box of MI-O-NA and it cured me. Now I would not be without a box in the house for \$5.00. It saves a lot of doctor bills when you can be cured for 50 cents." Arthur Soderquest. 6

Nicholas St., Wakefield, Mass.
MI-O-NA stomach tablets cost 50 cents a box at the Newlin Drug Co. and druggists everywhere and money back if they don't cure.

WHY SALVES FAIL**TO CURE ECZEMA**

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons. The Newlin Drug Co.

Dr.—In your case all you want is a Fam Us King cigar.

Smoker—But why a Fam Us King cigar?

Dr.—Because it is soothing for your nerves and has a sweet creamy taste that a good Spanish made Havana cigar should have.

Smoker—And you think Fam Us King cigars best?

Dr.—Think so! No man! I know it, and if once you smoke one you too will know it.
