Exceptional Opportunity to Save Money! Buy That Stove Now!

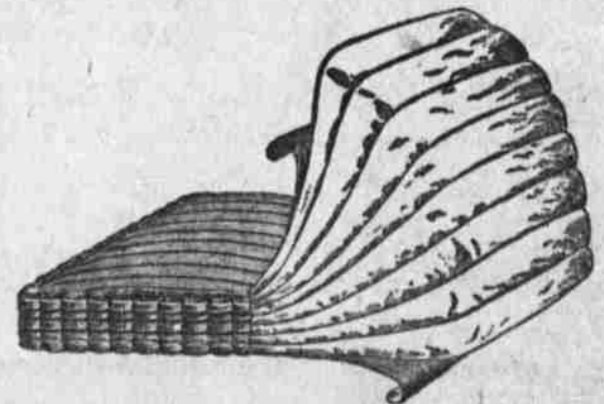

If you are going to need a stove during the year 1911 you can not afford to overlook this opportunity, for we have made one of the biggest reductions on stoves that was ever made in La Grande. In doing this we have lost sight of the cost—what

we want is to exchange stoves for the cash. We carry the famous Universal line of stoves and ranges, which is one of the Best lines made in America. We say again that an opportunity like this was never offered to the public before.
