GERMS IN HER SYSTEM.

Every Woman Should Read This Advice and the Generous Offer That Goes With It.

The number of diseases peculiar to women is such that we believe this space would hardly contain a mere mention of their names, and it is a fact that most of these diseases are of a catarrhal nature. A woman cannot be well if there is a trace of catarrh in her system.

Some women think there is no help for them. We positively declare this to be a mistaken idea. We are so sure of this that we offer to supply medicine absolutely free of all cost in every instance where it fails to give satisfaction, or does not substantiate our claims. With this understanding, no woman should hesitate to believe our honesty of purpose, or hesitate to put our claims to a test.

There is only one way to overcome catarrh. That way is through the blood. You may use all the snuffs, douches or like remedies for years without getting more than temporary relief at best. Catarrh in general is a diseased condition of the system that shows locally most frequently in discharges from mucous membranes. Local treatment should be assisted by internal treatment for the general diseased condition if a complete cure is to be reached. That internal treatment should be scientifically devised and faithfully administered.

Rexall Mucu-Tone is scientifically prepared from the prescription of an eminent physician who for thirty years made catarrh his specialty. This remedy is admirably adapted to the treatment of the catarrhal ailments of women. It purifies and enriches the blood, tends to stop mucous discharges, aids in removing impurities from the system, soothes, heals and strengthens the mucous tissues, and brings about a feeling of health and strength.

We want you to try Rexall Mucu-Tone on our guarantee. If you are not benefited, or for any reason not satisfied, simply tell us and we will hand back your money. Rexall Mucu-Tone comes in two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies only at—The Rexall Store.

Item for Women

Marlboro, Mass., June 1, 1910. I can frankly say that Parisian Sage has given me perfect satisfaction, and will highly recommend it as a hair grower and beautifier, and a sure cure for dandruff. I also have recommended it to several people, and it has given wonderful results.—Mrs. G. Bartheaux, 26 Main St.

Cynthianna, Ky., June 3, 1910. I have only used two bottles of Parisian Sage, and I find my hair has increased wonderfully in thickness and luxuriance and beauty. The dandruff all disappeared. I was wonderfully surprised, as I have tried many hair restorers, though I have found none that ever has helped my hair except Parisian Sage, so I can say it is worth all of the hair restorers I have ever found, and I will tell many friends about it. Gratefully your friend, Miss M. Clough, Box 212.

The Newlin Drug Co., guarantees Parisian Sage to kill dandruff germs, eradicate dandruff, stop falling hair and itching scalp, or money back. It is the most delightful and refreshing hair dressing in the world and is not sticky or greasy. The Newlin Drug Co., and druggists everywhere sell it for 50 cents a large bottle. The girl with the Auburn hair is on every package.
