LA GRANDE'S FREIGHT RATE CASE NOW AT SALEM.

Business Men's Position Points Out Need of Readjustment.

Salem, Ore., Jan. 10.—(Special)—A large petition signed by nearly all the business men of La Grande has been filed with the railroad commission. The commission is asked to include La Grande with Baker City in the matter of securing a more uniform commodity freight rate from the Oregon Railroad & Navigation company. The commission's attention is referred to a recent complaint filed by the Baker City Commercial club in which it is alleged the O. R. & N. company discriminates in its commodity rates between Portland and Baker City.

Victim of Drink Needs Orrine.
Drink cunningly destroys the will power and while the drunkard wants to do what you tell him, he wants a thousand times more drink that he craves. Medical treatment is necessary. Orrine will destroy the desire for liquor, so that the drink will not be missed and restores the patient to health.
This remedy is thoroughly scientific and is so uniformly successful that it is sold with a registered guarantee to refund your money if it fails to effect a cure. Booklet on "How to Cure Drunkenness" free on request. The Orrine Co., 574 Orrine Building, Washington, D. C. Sold in this city by Silverthorne's Family Drug store. Jan 9 11 13

WOMEN DIE.
Two famous American women, each about ninety years of age, were claimed in the persons of Julia Ward Howe and Mary Baker G. Eddy. Other well known Americans who passed away were Louis James, the actor; John La Farge, the artist; O. Henry, the short story writer; Solicitor General Bowers and Octavo Chanute, the man who instructed the Wright brothers in aviation.

Besides Edward VII., two foreign rulers that died were President Montt of Chile, who had just finished a visit to this country, and King Chulalongkorn of Siam. Two other foreigners famous in fields of learning were Goldwin Smith of Canada and Dr. Robert Koch of Berlin.

Even with this extended list the natural deaths hardly kept pace with the political fatalities. As a solace, however, we have in place of the fallen a cluster of brand new or freshly elected governors, among the number being Woodrow Wilson, John A. Dix, Simeon E. Baldwin, Eugene N. Foss, Frederick W. Plafsted, Judson Harmon, Chase S. Osborn, Walter Roscoe Stubbs and Hiram W. Johnson. Who knows but that some of these may be names to conjure with in coming years?

Sincerity and pure truth in what age soever find their opportunity and advantage.—Montague.

Gothic Architecture.
Gothic architecture began about the ninth century after Christ and soon began to spread all over Europe. Its great feature is the pointed arch, and it was at first called the "pointed style." Most of the glorious old world cathedrals are in the Gothic, and it is generally conceded that for religious purposes no other style of architecture is so perfectly suited. It has been said that the first idea of the Gothic was suggested by the interlacing boughs and trunks of the great woods in which German Christianity was formed; hence the name Gothic.—New York American.

Still More Painful.
The Young Politician—I can assure you there is nothing more painful than having to make—er—er—one's first speech in public. Young Politician's Wife—Oh, yes, there is, dear! Young Politician (displeased)—Then what is it, pray? Young Politician's Wife (sweetly)—Having to listen to it, my dear.
