The Newlin Drug Co. Sells Remarkable Catarrh Cure.
Pour a few drops of HYOMEI (pronounced High-o-me) into the hard rubber inhaler and you can then breathe into the lungs the very same antiseptic, germ killing air as you would breathe in the Australian forests of eucalyptus, where catarrh is unknown.
And Hyomei is so pleasant to use; you'll like to use it; when you breathe it the effect on the inflamed catarrh infected and germ ridden membrane is soothing and healing.
In five minutes you get such wonderful relief that you will know that at last you have a cure for catarrh.
A HYOMEI outfit which consists of one bottle of Hyomei, a hard rubber pocket inhaler, a medicine dropper and simple instructions for use, costs only \$1.00 and extra bottles of Hyomei if afterwards needed, 50 cents.
Besides catarrh, remember that Hyomei is guaranteed to cure asthma, croup, bronchitis, colds, sore throat, or money back. Hyomei is sold by the Newlin Drug Co. and leading druggists everywhere. Trial sample free from Booth's Hyomei Co., Buffalo, N. Y.

bonds for the purpose mentioned in Section 1 of this Act at any general election. This may be done by an order of the county court which shall be entered in the journal at least forty days next preceding any general election, which order shall set out the amount of bonds to be issued, the length of time they shall run, and the maximum rate of interest they shall bear. After having entered such order the court shall proceed to submit the question to the voters of the county in the same manner and with like effect as upon petition as provided for in this Act.

Section 11.

If at any general election as provided for in this Act a majority of the voters of the county shall vote in favor of issuing such bonds the county court shall enter an order in its journal declaring that fact and that order shall be absolutely conclusive as to the regularity of all the proceedings in reference to the matter.

Section 12.

After having entered the order as provided in Section ten (10) of this Act the county court shall cause the bonds to be issued and shall advertise such amount of them for sale as in the judgment of the court may be necessary, and thereafter from time to time the county court shall make such additional sale of bonds so issued as may be necessary. Such sales shall be made through bids received upon such advertisement as the court may deem necessary to afford the best means of procuring the highest prices for such bonds, and all bids shall be in writing and be publicly opened at a time and place to be specified in the advertisement. Whatever other means of advertising the sale of such bonds the court may adopt it shall advertise such sale for at least three weeks in two newspapers printed in the county if there are that many, and if there is but one then in it, and shall also, for the same length of time post the advertisement on the court house door or upon the bulletin board ordinarily used for posting legal notices. The bonds shall be sold to the highest bidder, but preference shall be given to citizens of the county, and if the

court is not satisfied with the bids it may reject all of them.

Section 13.

All the money raised under the provisions of this Act shall be used in constructing permanent public roads in that county, which roads shall be constructed by the county court under the supervisory direction of the State Highway Commissioner, but the Commissioner shall have nothing to do with the location of the road to be constructed.

Section 14.

Beginning with the fourth year after the bonds are sold the county court shall each year thereafter until the maturity of the bonds set aside as a special fund for the payment of the bonds such percentage of the face value of the bonds as at the date of their maturity shall aggregate the full face thereof. Where bonds are issued in different series, maturing at different times a separate redemption fund shall be provided for each series of such bonds. The amount necessary to provide this redemption fund shall be added to the general levy of taxes as may be required.

Section 15.

No bond issued under the provisions of this Act shall bear a greater rate of interest than six per cent per annum nor shall any bond be sold for less than the par value thereof.

Section 16.

Bonds shall be issued in such denominations as the purchaser may desire.
