A Scene of the Catchy "Honeymoon Trail" at the Steward Tuesday Night.

A WITTY PRODUCTION.

Honeymoon Trail Sure to Please Critical Show People.

"Honeymoon Trail" the biggest, brightest, wittiest and most melodious of all the La Salle Theatre (Chicago) musical comedy successes, and a sister play of "A Stubborn Cinderella" is the attraction at the Steward Tuesday night.

"Honeymoon Trail" was written by those clever writers, Hough, Adams and Howard, a trio who have contributed ten musical successes of the first order to the contemporaneous American stage. It contains more comedy and more catchy music than any of the authors' other efforts and was fitting-

ly described by the Chicago Tribune as "a play with a thousand laughs"

This season's company is a notable one, containing such well known and high salaried performers as Louis Kelso, Fred Wyckoff, Arline Boling, Carl George and Clara Dalton, together with many other principals of lesser prominence. The chorus is a feature and consists of thirty of the shapeliest and handsomest girls ever seen with a "road" attraction. "Ned Wayburn's Dancing Brownies" the famous septette of "dancing brothers" are a distinct novelty. The music of "Honeymoon Trail" is of the "whistle-able" kind and is usually heard on the streets of every city which the attraction visits for many weeks after its engagement.

OPENING OF AUDITORIUM

Martin E. Robinson Engaged to Direct Comic Opera Pinafore.

The residents of La Grande have cause to be proud of their fine new high school building as it is one of the best equipped in the entire northwest.

One of the principal features, and one so often overlooked by architects in submitting plans for such buildings is a suitable auditorium for holding graduation exercises, giving school plays and other entertainments so necessary in course of every up to date school. This feature in the new high school building has not been overlooked and an excellent auditorium with a seating capacity of 748 opera chairs with a well lighted stage and dressing rooms is still another proof that La Grande has a progressive and efficient school board.

For the formal opening of the auditorium to the public, Superintendent Stout has long been looking for the attraction that will place the patrons of the school and at the same time be of the most benefit to the students and after considering many propositions has selected a local production of a standard and well known comic opera. For this purpose he has engaged Mr. Martin E. Robinson, who is well known throughout the entire northwest as a musical director of ability to produce the popular English opera H. M. Ship Pinafore, and an exceptionally strong cast has been selected from among the best singers of the city, who are not only glad to contribute their services for so worthy a cause but at the same time secure some excellent training in operatic work.

The High School chorus will be augmented and strengthened by the assistance of many of the best town singers and productions of Pinafore will be far superior to any local entertainment ever given in La Grande and equal to the best road companies.

Mr. Robinson brings with him the

scenery to transform the stage into a typical ship scene and this nautical opera is all performed on the deck of the old man-o'-war "Pinafore." The costuming is all characteristic of sailors and nautical scenes making this one of the most popular operas. Rehearsals are now being held each evening in the new high school and the interest and enthusiasm of the participants insures a great success for the opening production on February 3 and 4.
