PAVING ATTRACTS VISITORS

The following extracts from an article in the Grants Pass Observer, should be read and thoroughly digested by every loyal citizen of this city. The moral is important and obvious. "The improvements made in our business streets the past year are not only a good thing for the city and the people living here, but they are advertising this city on the minds of all people who pass through as tourists. "Reports come from all over the state that people have heard of this city's elegant streets and the excellent lighting system that has been installed. A gentleman was here from Marshfield last week who is making a tour of all the cities of Oregon getting ideas on civic improvement for the Chamber of Commerce of his city, and he was very loud in his praise of the improvements in this city and he was very loud in his praise of the improvements in this city and he said that our bitulithic paved streets were the prettiest and best lighted of any city he had visited. "This city did not start in on the improvements as early as some of the other cities, but the past administration profited by the work of other cities and got the best. "When the night trains pass through Grants Pass passengers crane their necks to look at our beautiful paved and lighted streets. "The streets and lights are a great advertisement to the city but the improvement should not be allowed to stop, and the people should start right away to continue the improvements the coming year. There is now talk of continuing the bitulithic pavement up Sixth street for several blocks and also talk of paving resident streets."

STOMACH REMEDY

Guaranteed by the Newlin Drug Co. If your stomach is weak and constantly upset, you must quickly do one of two things.

Allow the rest of your body to become as weak as your stomach, or make your stomach as strong as your body.

There is only one choice for those who want to live and enjoy life, and that is to make the stomach as strong as the body.

This can best be done by using the prescription of a specialist that in years of practice gave immediate relief and permanent cure to 95 percent of the people who used it.

This prescription is known from coast to coast as MI-O-NA.

MI-O-NA stomach tablets, most people call them, are guaranteed by the Newlin Drug Co. to cure indigestion (acute or chronic) or any upset condition of the stomach, or money back.

In five minutes they give relief from heartburn, acid stomach, gas on stomach, belching or sour food, fermentation, heartburn and waterbrash.

If you suffer from stomach trouble get a large 50 cent box of MI-O-NA stomach tablets today and put yourself on the road to health. At the Newlin Drug Co. and druggists everywhere. Jan 12, 24, Feb. 2

HOW TO STOP DRINKING

Give Orrine and Destroy all Desire for Whiskey and Beer. Can be Given Secretly. Try it at Our Expense.

We are in earnest when we ask you to try Orrine at our expense. We will give your money back, if after a trial you fail to get results from Orrine. This is a very generous offer. It gives the wives and mothers of those who drink to excess an opportunity to try the Orrine Treatment. It also shows out confidence in the merits of Orrine. Orrine is recognized as the best and most successful remedy the world has ever known for drunkenness or the so-called Liquor Habit. It is a very simple treatment, can be given in the home without publicity or loss of time from business, and at a small price. Read the following letter from Dr. Nolte, 8th and Race Streets, Philadelphia. It will tell you about some of the wonderful results from the Orrine treatment.

"I have had a remarkable case of inebriety under my personal observation. The patient drank heavily for fifteen years and reached a degraded condition, which caused the breaking up of his family and separation from his wife. Every hope was given up of ever saving the man from his strong desire for drink, and only a mother's interest finally persuaded him to voluntarily take treatment for his diseased condition. It was my pleasure to recommend Orrine, your liquor habit cure, and the treatment was taken faithfully. This was two years ago and the patient is now in a healthy condition and still abstains from the use of stimulants. I have sold Orrine for a number of years and have always found it to be satis-

RANGERS WAR ON COYOTES

FOURTEEN KILLED NEAR KAMELA IN ONE MONTH

Snow Three Feet Deep—Other Summit News

Kameka, Jan. 24 (Special)—Lowell E. Tipton, forest ranger, has opened war on coyotes, not because they may have hydrophobia, but because they are coyotes, and during the past month he has brought fourteen to town and will cash in at La Grande. The ranger seems to have the proper knack of bringing them down.

Snow Three Feet Deep. Snow is now three feet deep at Kameka. While this is not unusual, it does prevent speedy handling of wood from the interior to the station here.

Kameka Personal.

Earl Gillanders from Meacham was a caller here last week.

W. S. Nelson's sister from Weston, is visiting him here at present.

Someone who had nothing to do made himself busy and untied the team belonging to Oro Hunt and started the team home alone. What will become of the team no one knows.

It may be located in any part of the house.

It may be a wall or desk type. It may have a bell or may not have a bell, as the subscriber may wish.

When a bell is installed on the extension it will ring whenever the bell rings on the main telephone.

An extension will save many steps in running to the main telephone to send or receive calls.

An extension will save the climbing of stairs.
