suspended music, music arrested by the sound of an expected voice or well-
known step. These waists are wonderful in lights and shadows and an exquis-
ite harmony of colors from the purest white to the most beautiful shade of
green.

These too we are offering you at cost. They will be on sale Saturday.
Listen to the voice of reason. The bright lights of golden opportunity are be-
fore you. See them.

are always in season, and are dressy. A well dressed woman is to be ad-
mired, a beautiful hat is half of the battle, especially one with plumes. Now is
