PENDLETON HOTEL EXPOSED.

Alleged Crimes Committed in Hotel and Proprietor is Fined.

Asserting that his son, Floyd Heathman, is the victim of a conspiracy to separate him from his wife, Alberta Heathman, "Missouri John" Heathman, father of the accused man, called at the Live Wire office this morning, says that paper.

Heathman, senior, declares that a Mrs. Addie Payne, sister of Mrs. Floyd Heathman, is in the plot to separate Heathman from his wife.

To this end he says, Mrs. Payne persuaded the man Todhunter to bring to Pendleton the girl, Lella Gibson, who has figured so prominently in the case. Incidentally, Heathman says the Gibson woman is 22 years of age in place of 18, and that moreover she has a one-year-old child.

Heathman Tells Story.
 This is the way Heathman tells of the unmasking of his son: "Floyd was asked to go up in the hotel by Todhunter," he stated. "Then Mrs. Payne came and took up Alberta (Mrs. Floyd Heathman) to the room. Mrs. Payne knocked at the door and said, 'There he is.'"

girl were sitting in the room and all were dressed."

Gives Son as Authority.
 When asked for his authority for this story, Heathman said his son Floyd had told him and had said that the girl, Lella Gibson had given him the information.

This is the case in which the local police showed such remarkable efficiency for keeping out of the way of the three alleged doubtful characters. Despite the statement made in the foregoing both Todhunter and Heathman have been seen in company with the girl and it is said on excellent authority the police were aware of the fact.

Mrs. Todhunter Fined.
 Following the expose of the immoral conditions existing at the State hotel in this city, Mrs. Maggie Todhunter was arrested by the police late Saturday night, charged with conducting a bawdy house, and when given trial before Judge Laatz Saturday evening after 6.30 o'clock was fined \$20 for her offense.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all dealers.

BOOZER LEAVES BAKER

Big Farewell Function Tendered to the Popular Minister There.

Hundreds of persons were turned away from the Presbyterian church band and the boys took this opportunity of Rev. L. Myron Boozer, says the Baker Herald. All the churches of the city united in paying him a tribute and the church was crowded to the doors. Scores of people stood up and there was not a vacant seat in the house.

One of the features of the occasion was the special music furnished by the Baker Concert Band. Mr. Boozer has always taken an interest in the band and they boys took this opportunity to show their appreciation of his service. There was also special music by the Presbyterian choir.

Short addresses were made by the pastors of the various churches, the speakers being Rev. Eymann, McColm, Harris and Dunkin. Rev. Boozer delivered a short address, bidding the people of Baker farewell. The service was closed with special music.

have purchased 3160 acres of land located on the Peninsula formed by the Columbia and Willamette Rivers.

3,100 acres of this land has been platted in factory sites of 20 acres and up and can only be purchased by manufacturers for factory purposes.

Since the Swift interests purchased this land they have built a large Packing plant and the Union Stock Yards.

The following companies have purchased factory sites and have their plants in operation:

- Fairchild & Company—Wholesale Butchers
- Nicolai Door Company.
- The Westernite Paving Company.
- Pacific Tank and Pipe Company.
- Ajax Auto Traction Company.
- Wholesale Kenton Lumber Company.
- Glazed Cement Pipe Company.
- Durable Roofing Company.
- Monarch Lumber Company.
- Pacific Coast Vault Works.
- Portland Rendering Company.

Other manufacturers have purchased sites and their plants will soon be under construction.

All of the above plants have direct rail and water transportation.

The balance of the 3160 acres, or 60 acres, being on high, level ground, is set aside as a business and residence district for the employees of the various plants and is well improved, with a good class of homes and fire proof business houses, which are consistent with the past experience of Swift & Company in developing their townsites in Kansas City, Omaha, Fort Worth and St. Louis, in all of which the values of real estate have increased rapidly.

Take advantage of the opportunity and purchase some of this property while the representatives are in town. Ask any stockman who is shipping to Portland what he thinks of Kenton and the prospects for a rapid increase.
