THE PROPER COURSE.

Information of Priceless Value to Every La Grande Citizen.
How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement will add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statements of nearby residents who have been permanently cured?
Charles Adams, of Union, Ore., says: "I hold just as high an opinion of Doan's Kidney Pills today as I did in November, 1907, when I publicly recommended them. I was annoyed by attacks of backache and I had other symptoms of kidney trouble. About six years ago I learned of Doan's Kidney Pills and procuring a box, I began their use. They helped me so greatly that I have always kept a supply on hand since. Whenever I feel that my kidneys are in need of a tonic, I take Doan's Kidney Pills and they promptly relieve me."

ROBBER CATARRH.

Steals Energy and Will Power From Its Victims.
Catarrh robs its victims of energy—some physicians say of will power. That may be the reason why thousands of catarrh sufferers haven't ambition enough to accept this fair and square offer of the Newlin Drug Co., by which they make without any whys and wherefores or red tape of any kind.
The Newlin Drug Co. says, "We guarantee Hyomel to cure catarrh acute or chronic, or money back," and that offer is open to every reader of the Observer.
Hyomel (pronounce it High-o-mel) is the purest Australian Eucalyptus combined with Thymol and other germ killing antiseptics.
Pour a few drops into the small vest pocket Hyomel inhaler and breathe it into the lungs over the inflamed membrane infested with catarrh germs.
It is pleasant to use—it kills the germs, soothes the sore membrane, and cures catarrh; if it doesn't your money back.
A bottle of Hyomel costs 50 cents at The Newlin Drug Co. and druggists everywhere. A complete outfit, which includes a bottle of Hyomel and a hard rubber inhaler and simple instruction for use costs \$1.00.

"Polly of the Circus" Frederick Thompson's mammoth production, will be seen at the Orpheum on Thursday. One of the great features of the play is the realistic third act in which the circus scenes are depicted, including a miniature circus caravan disappearing in the distance. The second scene of this act shows a circus in full swing, with the trained horses, ponies, dogs and elephant, "Little Hip" clowns, acrobats, ringmasters, bareback riders and aerial acts of all descriptions, with all the necessities of the white tops, and is in full keeping with the standard set by Frederick Thompson, producer of the play and the creator of the huge Hippodrome and the greatest amusement park in the world—Luna Park, Coney Island, New York City. Watch for the parade.

OBSERVER GIVES ELGIN PUBL. CITY.

(Elgin Recorder)
The La Grande Evening Observer is giving Elgin a lot of good publicity in a series of articles which are being carried daily this week. The Observer's write up deals with Elgin's history, her resources, business men and future opportunities. The write-up is illustrated with half-tones and will give Elgin some good advertising.
Since Editor Bruce Dennis took charge of the Observer that publication has been giving free write ups to the various sections of Union and Wallowa counties, and while Elgin is one of the last towns to receive this recognition, more space and time is being devoted to her than any of the other sections, for which Elgin people are grateful. The Observer is decidedly progressive and is always boosting the resources of Union and Wallowa counties, a policy which is heartily endorsed by the Recorder.

GUN VICTIM IMPROVES.

Attending Physician Hopes to Cure Wounds Without Amputation
That John de Jonna, the Enterprise sheepman who was shot in the foot in December during a play of guns in a quarrel there, will be able to recover from the effects of the injuries without amputation of the foot or leg is now the belief of Dr. N. Molitor who has had the man in charge at the Grande Ronde hospital for the past few days. The Frenchman was brought over from Enterprise a few days ago when it was found that the injury was not healing as rapidly as they should. By careful attention of the wounds the attending physicians hopes to be able to send the man out of the hospital with no serious after effects of the shooting fracas.

Baker Defeats Hermiston.

Hermiston, Ore., Feb. 4—The Baker City high school basket ball team won a fast game from the Hermiston High school on the high school gymnasium court here tonight by the score of 25 to 17. The visitors had the edge on the locals all through the game, but it was a nip and tuck contest from start to finish.
With the game in Hermiston last evening, the Baker High school played the last game scheduled on the present trip. They lost two out of three, being beaten at Pendleton and Walla Walla and chalking up the only victory of the trip at Hermiston last evening. The boys will arrive home on the noon train today.
