troit top the list in drawing baseball fans in the major leagues.

All the new members of the Chicago White Sox have fine records as minor leaguers, and the chances are that Hugh Duffey will develop a few stars.

About the only tangle in baseball circles of late is the fight in the Three I League. An effort to oust Waterloo and take in Quincy touched off the fuss.

As capable umpires are getting so scarce President Lynch of the National League, will engage a scout to visit the minor leagues and look over the arbiters.

Samuel String-Nicklin, the old New York and Baltimore player, is studying music in Paris. Samby believes that he is good for the 1300 class in grand opera.

Fred Lake is to be chief scout for the St. Louis Browns and John McClosky will be one of Lake's assistants. McClosky has managed teams in Milwaukee, Louisville and St. Louis.

Manager Jennings will send his veteran pitchers, Donovan, Mullen and Summers, to Hot Springs, Ark. where they will spend two weeks before joining the fliers at Monroe, Louisiana.

Claude Horzog believes that he will be able to make a better showing in Boston now that Fred Tenney is boss of the Rustlers. Last season Manager Fred Lake and Horzog couldn't see each other.

Work has been started on the new baseball park for the New York Americans at Kingsbridge. The main grand stand, tripple decked, will seat 20,000 persons and on either side will be bleachers capable of holding 20,000 more.

WRESTLING BOUTS NEXT FRIDAY IF PRESENT PLANS MATURE

While there is yet a question as to the exact date of the meet, it is more than probable that the triangular wrestling bouts between the Baker Athletic club, the Hot Lake Wrestlers and the B. M. A. mat men of this city, will take place next Friday evening in this city. The place has not been definitely announced but invitations will be issued in a day or so.

The event will be entirely new to local people. A half dozen wrestling events of good caliber will be on the program and there is going to be much excitement. An indication of what will be done is shown by the fact that Hot

Lake is making arrangements for a special train to bring the rooters from that town, and invitations to the number of about 100 will be issued here so that there will probably be a fair sized crowd to see the contests. Joe Heinrich the Baker wrestler has a fine class of amateurs and four will be supplied by Hot Lake and perhaps two from the B. M. A. here. All will be amateurs and there will be no prizes whatever, the small entrance fee to be charged being merely to cover incidental costs and expenses of bringing the Baker and Hot Lake people here.

BEE BUZZING IN PENDLETON

Addition of Two Towns Will Give Added Impetus to Ball League.

The baseball bee is already beginning to buzz in Pendleton sporting circles and the talk all centers about a league team, says the Pendleton East Oregonian. It is certain that this city will be represented by such a team. It is also assured that the Blue Mountain league will continue its existence and there is some likelihood of it being increased from four to six. Indeed, four towns in addition to those which were represented last year have already signified their desire to put teams in the field, but the local boys are not inclined to favor an eight team league because of the length of time required to complete a schedule.

Walla Walla, Dayton, Hermiston and Echo are the four applicants for permission to enter the league but according to President Nelson, there will be no probability of any of the west end towns being considered because of the train connections. If a four team league is decided upon, Walla Walla will probably be substituted for Pilot Rock and the other three teams will be the same as last year. Pendleton, Athena and Weston. In case a six team league is decided upon

Dayton and Pilot Rock will probably be the two other towns to be considered.

The schedule will start during the first part of April and will continue for fifteen weeks, each team playing a game every Sunday.

TUMBLERS AT ELGIN

Young Men of Sister Town Take to Mat Stunts With a Vim.
(Elgin Recorder)

Several weeks ago a class of local young men and boys under the direction of John Dabney began the study of acrobatic and tumbling feats and as a result some excellent performers are being developed. The class consists of Albert and Robert Ramussen, Davey Blumstein, Roscoe Austin, Lloyd Evans, Hugh McNaughton, Sidney Mack, Harold Hug and Floyd Allen. Some of the boys are progressing and show signs of becoming proficient in tumbling feats. Mr. Dabney has devoted several nights each week to giving the boys instructions and while he is not professional he knows many tricks of the trade, as is shown by the work of the class. The boys will make their first appearance at the high school entertainment which will be given here on Saturday, when all will have an opportunity of seeing their work.
