23 LECTURES IN ONE DAY

BIG POULTRY SHOW AT O. A. C. TODAY IN CONVENTION

Last Day of Farmers' Week Ends With Big List of Speeches.

Oregon Agricultural College, Corvallis, Ore., Feb. 18—Today, the last day of Farmers' week at O. A. C., will be a full day for the farmers and their wives, since twenty-three special lectures have been scheduled for the day and the poultry show, one of the biggest ever given at the college is also being held.

The day's lectures will include the following: Prof. F. L. Kent, "Milk Products." Prof. G. R. Hyslop, "Seed Growing for Profit."; Prof. C. I. Lewis, "Farm Orchards! Prof. E. L. Potter, "Judging Horses;" H. F. Wilson, "Insects of the Peach and Prune;" Arthur Bouquet, "Difficulties to be Overcome in Growing Truck Crops;" Prof. H. D. Scudder, "Soil Values" and "Siloing Crops for Dairymen and the Livestock Growers.' Dr. E. G. Peterson, "Bacteria in their Relation to Agriculture;" Dr. J. F. Morel, "Veterinary Science;" Dr. James Withycombe, Cooperation Among Farmers". W. L. Powers, "Drainage Methods and Cost." R. W. Allen, "Growing Cane Fruits;" Prof. H. S. Jackson, "Diseases of the Peach, Prune and Cherry;" George Sampson, "Systems of Breeding;" H. H. Keim of Newberg, "The Farm Flock; "Dean Juliet Greer of the domestic science department, "Home Sanitation and Personal Hygiene; "Nancy G. Wallace of Portland, "Practical Sewing, Cutting and Fitting;" Mrs. Clara Walde, "Domestic Art;" R. H. Debell, "Exterior Decoration of the Home;" Miss M. C. Van Deusen, "The Home Dinner for the Guest;" Mrs. Dohn of Portland, "Color Schemes."

A BRILLIANT GALAXY

Pretty Girls, Handsome Gowns and Victor Morley Spell Three Twins.

Victor Morley, Miss Bessie Clifford and Miss Evelyn Tunsmore abbetted and supported by gorgeous scenic effects, pretty gowns, attractive feminine faces, plenty of good singing and orchestral support—that is what "Three Twins', shown at the Steward last night to a packed house—represents and is. For two hours and a half effervescent Morley and his support kept the audience in an uproar. Comic operas come and go; scenic effects introducing innovations thrill now and then but when all is said that is good about other shows that have been at the Steward this season, there still remains the fact that "Three Twins" is in a plane just a little above all the rest of them.

The crowd came expecting so much from Miss Clifford and so little from Morley that when quiet the reverse proved a fact, the true nature of the "Three Twins" became known. While Miss Clifford appeared in minor parts and was seen in dancing sketches earlier in the evening, her real self was not exposed until the very last when the Yama Yama song brought down a storm of applause. Miss Clifford is flat and mediocre in a surprising degree up to her masterpiece—and then suddenly, to make the contrast all the sharper the little maiden does the Yama Yama song in a way that is worth the door pasteboard alone. She is superb in that song and attendant work.

On the other hand, Morley and Miss Tunsmore commence their work at the rise of the curtain and keep up song and talkfest to the last—always funny.

The plot? Yes it is more of a plot and more intricately interwoven-stories than most comics, still it is not the plot, nor Morley alone, not Miss Clifford and her Yama Yama girls alone, but every part and parcel of "Three Twins" that go to make the attraction the best of a long string of good shows produced at the Steward this winter. It is clean, snappy and crisp with newness.

Every family has need of a good, reliable liniment. For sprains, bruises, soreness of the muscles and rheumatic pains there is none better than Chamberlain's Soloan. All dealers.

Wood Notice

Notice is hereby given that the District School Board of School District No. One of Union county, Oregon, will receive up to 4 o'clock p. m. of March 3rd, 1911, sealed bids for furnishing said school District No. One with cords of four foot, split, yellow pine and red fir wood, said wood to be cut while green and not later than June 1st, 1911, free from large knots and acceptable to said school board. Said wood is to be delivered 300 cords at high school building, and 100 cords at the Fourth ward school and to be corded up neatly and closely where directed by Board.

100 cords to be delivered by July 1st, and all on or before Sept. 1, 1911. Bids to be left with school clerk. The Board reserves the right to reject any or all bids.

ARTHUR C. WILLIAMS,
School Clerk.

Feb. 15 to Mch 3

DOWNWARD COURSE.

Fast Being Realized by La Grande People.

A little backache at first.
Daily increasing till the back is lame and weak.
Urinary disorders quickly follow:
Diabetes and finally Bright's disease.
This is the downward course of kidney ills.

Don't take this course. La Grande residentss hould profit by the following experience.

Mrs. W. M. Giles, of Sumpter, Ore., says: "I was bothered for about two years by kidney complaint and the doctors could not help me to any extent. There was a constant, dull pain across my loins and this was accompanied by a soreness over my kidneys. My back ached so intensely that I could hardly sleep and I had trouble with the kidney secretions. When I saw Doan's Kidney Pills advertised I was induced to try them and it required the contents of only one box to affect a cure. I value Doan's Kidney Pills highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name— Doan's —and take no other. Feb. 13, 15, 17

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all dealers.

HELPFUL HINTS ON HAIR HEALTH.

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hatband is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and $1.00 Remember you can obtain Rexall Remedies only at our store—The Rexall Store Hills Drug Store.
