HAMILTON TEAM OUTLINED

MANAGER ANNOUNCES PERSONNEL OF PLAYERS

Represent Members of Former United States Champions and Sharks

Basketball interests in La Grande await tomorrow night for it is certain that something classy is in store for men, women and children who appreciate basketball. The high school management anticipates a large audience and basing its estimates on the fact that there has never been in Eastern Oregon an aggregation of players that stand for so much as this same Hamilton team from Two Rivers, Wis. Basketball to them is like eating to some; second nature.

Manager Hamilton announces the lineup for tomorrow night as follows.

The players are the pick of the best basketball men in Wisconsin and Chicago, and were brought together early in order to get into condition for this long hard tour. The players are:

Reddington

Guard and center is a former star of the Championship Illinois Athletic Club team of Chicago, for three successive years champions of Cook county and the state of Illinois and for two years champions of the United States.

Osborne

Also of the Illinois Athletic Club Championship team, was their coach and star forward. He is the best man on long shots in the country.

Aldous

Formerly of the famous West Side Y. M. C. A. team of Chicago, is considered by all Western critics and Chicago newspapers as being the best forward in the country. He is also one of the best centers in the west.

Cary

Center, 6 feet 3 inches is the regular center and also plays guard. As a center he has few equals. He has never found a center that could out-jump him. As a guard he has few equals.

Krueger

Guard, weighing 195 pounds, is the best guard without exception in the west. In spite of his weight he is one of the fastest men on the team.

Kotchl

Always known throughout the state of Wisconsin as a lightning fast forward. He is especially good on long shots.

Koch

While practically a new man at the game, he has developed into a star guard. He plays a forward position equally well and on this account is one of the most valuable men on the team.

Kracha

The smallest man on the team. Is a fast forward. He is a good dribbler and a sure basket shot.

Stangel

Lightning fast forward and former star of the University of Wisconsin team for two seasons. The hardest man in the state to guard.

CHEAP PAVING EXPENSE

MAYOR SPEER OF DENVER HAS HIS OBJECTIONS

Concrete Roads in Denver Prove to be Unsatisfactory to Many.

"The concrete highway laid by the city from Overland park southward to the city limits, near Petersburg, is not proving satisfactory," says the Denver, Colo., Times of February 20th. Mayor Speer today said that the concrete probably will be covered with tar and sand, or with some other mixture, in an effort to save it.

"Residents of the Highlands have requested the city to build a concrete highway in parts of west 23rd avenue. An ordinance providing for the work has been passed and submitted to Mayor Speer for his approval. Because of the unsatisfactory results with the concrete road near Overland park Mayor Speer is giving special consideration to the request for a similar road in the Highland.

"The concrete highway near Overland park," said the mayor today "was laid as an experiment. Concrete is cheaper than asphalt or other paving material and we were anxious to

use concrete if it was found practicable. It is breaking off where heavy wagons have run. We probably will cover it over with a coating of tar and spread some gravel on it. This will make it waterproof. We do not know that the coating will not wear off in a short while."

COSTS BUT A TRIFLE TO CURE CATARRH

How many readers of the Observer know that in Inland Australia where the mightiest of eucalyptus trees grow in abundance, that there is no consumption, catarrh, or diseases of the respiratory tract.

The refreshing balm thrown out by these trees fills the air and is breathed into the lungs by the inhabitants and all germ life is destroyed.

If you have catarrh you cannot go to Inland Australia except at great expense, but you can breathe right in your own home the same pleasant, soothing, healing, germ killing air you would breathe if you were living in the eucalyptus district of Australia.

Just breathe HYOMEI; it is made from Australian eucalyptus and scientifically combined with thymol and other antiseptics employed in the Listerian system.

Pour a few drops of HYOMEI in the inhaler and breathe it. As it passes over the catarrh infected membrane it kills the germs and heals the raw, inflamed surface.

HYOMEI is guaranteed to cure catarrh, colds, coughs, croup and sore throat, or money back. Complete outfit including inhaler \$1.0. Extra bottles of HYOMEI cost but 50 cents. Sold by the Newlin Drug Co. and druggists everywhere.
