

Notice of Street Improvement

To whom it may concern: Notice is hereby given that in pursuance of a resolution adopted by the Common Council of the City of La Grande, Oregon, on the 1st day of February, 1911, creating Improvement District No. 31, and designating "S" avenue, as such district, and in pursuance of a resolution adopted by said Common Council on the 1st day of February, 1911, whereby said Council determined and declared its intention to im-

prove all that portion of "S" Avenue, in said improvement district as hereinafter described, by laying thereon the south side, a board sidewalk, the Council will, ten days after the service of this notice upon the owners of the property affected and benefited by such improvement, order that said above described improvement be made; that the boundaries of said district to be so improved are as follows:

All that portion of "S" avenue, from the east side of Monroe avenue to the west side of Spruce street.

(A) And the property affected or benefited by said improvement is as follows: The north half of blocks 148 and 149 Chaplin's Addition to the Town of La Grande, Oregon.

Notice is hereby further given that the Council will levy a special assessment on all the property affected and benefited by such improvement for the purpose of paying for such improvement. That the estimated cost of such improvement is the sum of \$180. That the Council will on the 15th day of March, 1911, meet at the Council chamber at the hour of 8 o'clock p. m. to consider said estimated cost, and the levy of said assessment, when a hearing will be granted to any person feeling aggrieved by such assessment.

La Grande, Oregon, February 20th, 1911.

An Essential Thing

and there are many, in the management of a bank is the personal, painstaking care of its officers. Recognizing this responsibility, the officers of this institution keep themselves in touch with every important detail of the business. And the outcome? A generous, and a steadily increasing patronage.

SIR MANN HAS WHO WILL TAKE EXPLANATION LORIMER TOGA

WRITES FROM CANADA REGARDING THEIR TARIFF VIEWS

Points out How Canada is Preparing to Handle Its Own Wheat.

Chicago, March 1.—Sir Donald Mann in an open letter to a Chicago associate in the building of the Canadian Northern railway declares for the reciprocity program between the United States and Canada. He said:

"I do not say that the people (over 60 per cent of our total population) who are engaged in producing are the greatest in the country, but they certainly are engaged in the work of greatest benefit to the nation—the creation of wealth.

"The products of the farm, of the sea, and of the mine are entitled to especial consideration. Nor should the lumbermen be overlooked. Timber is a crop which ripens, and should be reaped. If it is not it deteriorates. He who cuts down one ripe tree and plants one more in its place is a producer of wealth.

"If we have seven or eight millions of people in Canada, with a free market for the producer, and to that number we add the 95 millions of the United States, we are assisting the most important industries in Canada.

"Next in importance to the producer comes the manufacturer and it is the duty of the government to provide increased market facilities for both. The United States has ceased to export cattle and may soon cease to export wheat. The balance between production and consumption is drawing nearer adjustment. If it were possible to prevent grain from going south, without injury to the producer, I would say avoid a treaty or other reciprocal arrangement, but it is beyond our power to hold our wheat within British territory. The United States can remove the tariff whenever it suits her convenience to do so, without consulting us.

"With regard to the export of the wheat crop, Canada will have her own lines of railway across the continent as well as ships upon the sea. This will enable them to take grain for export from producer to the consumer without any division of rates, and, in the same way, manufactured goods as return cargoes from the producer to the consumer in the west. On the other hand, going south through the United States, wheat for export would have to pass over three or four lines of railways, and thence by independent vessels to European markets. This through rate, which is necessarily low, would be divided between three or four transportation companies, making it impossible to compete with Canadian through lines. Depend upon it, Canadian railways handling natural products of the west for export will retain the traffic on their own tracks and in their own vessels to destination.

"Personally I would prefer to have a preference between the United Kingdom and the Dominion, and between the Dominion and other colonies. This preference should be increased from time to time, until, say in 25 years, the cost of production would reach a common point throughout the Empire. Then we would be able to have free trade within the Empire, and protection against non-British nations."

Notice of Final Settlement

Notice is hereby given that the administrator of the estate of Mons Moreland, deceased, has filed his final account and the County Court of the State of Oregon for Union county has fixed Tuesday, the 4th day of April, 1911, at the court house in La Grande, Oregon, as the time and place for hearing any objections thereto, and to finally settle said estate.

Dated at La Grande, Oregon, this 25th day of February, 1911. J. J. CARR, Administrator of the estate of Mons Moreland, deceased.

QUESTION IS VITALLY INTERESTING IN CHICAGO

Safety League Will Take Hand in the Proposed Railroad Retrenchment

Chicago, March 1.—(Special)—Who will become that international figure to succeed Senator Lorimer, if the toga be taken from him by the present Senate or the new Senate which will come into being March 4? This is a problem that underlies not only the Chicago mayorality contests but a hundred other issues. The growing conviction that failure to unseat Lorimer not only would create widespread trouble for the republican and also the democratic parties has made the need of a successor who is thoroughly trusted as to integrity and ability peculiarly important. The revelations concerning the patronage and other inducements offered by former Senator Hopkins, whom Senator Lorimer defeated, have removed him from among the possibilities. Congressman George E. Foss was found politically weak and former Senator William E. Mason, whom Chicago calls "Billy" Mason in much the same way that the country calls Roosevelt "Teddy," may occupy the seat. His strength with the labor unions and in the rural counties is due to the popular measures he sponsored in congress, rural free delivery, pure food laws and the postal savings bank bill. Whether he would leave a lucrative law practice, his friends refuse to say. Republicans leaders recall, however, that in 1896 Mason debated the free silver issue with Bryan and won back thousands of votes. He is one of the sturdy old-fashioned "spell binders" and was the last senator from Illinois whose elections never were attributed to a "barrel."

Safety League to Work.

That proposed railroad retrenchments must not be at the expense of safety of the public or employees is the contention of the League for Public Safety, the advisory board of which will meet in Chicago soon. The decision against rate advances called forth statements from railroad executives that expenses would be cut. President Bear of the Philadelphia & Reading said: "There will be a curtailment of railroad expenditures and if the result shall be to bring about a general reduction in wages and in material and supplies, in the end the railroads will suffer no more than the general public. "Some of the roads have begun retrenchments in previous cases by reducing track inspection and lessening other safeguards against accidents and wrecks. Reducing the wreck waste is one of the most fruitful fields for railroad managers who need more net earnings, according to the bulletin of the League. Only 30 per cent of the roads have advanced beyond the "train order" system inaugurated when the telegraph came into use in 1845. Those which have adopted signal safeguards, such as the Harriman lines, have very greatly reduced accidents and loss of life and property and increased traffic movement and revenue per day over their tracks.

REMOVES DANDRUFF

Puts Life into Faded Hair and Stops Scalp Itch.

If your hair is dull and lifeless, is falling out and getting thin on top, then you need Parisian Sage, and the quicker you get it, the sooner you will thank the Newlin Drug Co. for selling you such a worthy dependable hair grower, dandruff cure and hair dressing.

Read what Mrs. M. A. May, of 107 East Elizabeth St., Detroit, Mich., writes on June 6, 1910:

"I have used many hair restorers but have received no apparent benefit until I tried Parisian Sage. My hair is soft and silky, and while before I commenced using the remedy my hair was falling fast, was dry and harsh, faded, and altogether unlovely now just within the past few weeks several have remarked how lovely my hair was. It is also fine just for a dressing, leaving the hair soft and fluffy. It removes dandruff, and cures itching of the scalp. I certainly take pleasure in recommending Parisian Sage."

Parisian Sage is sold by the Newlin Drug Co. and druggists everywhere. Get a 50 cent bottle today, use it for two weeks and if you are not satisfied that it will do all that it is advertised to do you can have your money back. The girl with the Auburn hair is on every package. Feb. 18, Mch 1-11

Notice to the Public.

During my absence, which will be until June 1st, my patrons will be taken care of by either William Seigrist or J. H. Peare. These gentlemen will deal fairly and honorably with them, thus preventing the humbug and eye glass grafters from taking advantage of my absence.

Respectfully, DR. M. P. MENDELSON.

DANGER IN DELAY

Kidney Diseases are Too Dangerous for La Grande People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in this locality.

G. W. Knight, 513 Franklin street, Pendleton, Ore., says: "Doan's Kidney Pills benefited me so greatly that I do not hesitate to recommend them. For eight or ten years I was troubled by pains across my back and kidneys and at times my loins and sides were affected. I had to get up several times at night to pass the kidney secretions and often noticed sediment in them. Doan's Kidney Pills relieved my aches and pains in a short time and corrected the trouble with the kidney secretions."
