With these wonderful machines you do not wait for a salesman to figure how much your purchase comes to, nor do you run any risks in mistakes in charges, because the machine does both weighing and computing instantly. It shows you the exact weight of your purchase. An inaccuracy is impossible. Our Toledo Scales insure quick and accurate service in our provision and grocery departments.

AND YOU ARE SURE OF YOUR FULL MONEY'S WORTH.

PROMOTE DAIRY INTERESTS

GATHERING OF ALLIED INDUSTRIES AT PORTLAND SOON.

Commercial Organizations to Help Promote the Industry Too.

Portland, Or., March 3.—(Special.)—Ways and means to stimulate the dairy industry in the Northwest will be discussed at a dinner to be held at the Portland Commercial Club on the night of March 9. Plans for the gathering are now being planned by C. C. Chapman, publicity manager of the club.

The dinner will be attended by all interests allied with the industry. Not only dairymen, but members of the commercial bodies, city and state officials, representatives of the various health boards, and members of the State Agricultural College faculty will be present. Each interest will be asked to select a representative who will discuss the dairy outlook, and it is likely that a special committee will be named to outline a plan of future action. Dairymen at present face certain difficulties that it is hoped to clear up by cooperation of the various interests.

At the Isis.

Showing another fine selection of films this theatre continues to hold its own in the estimation of moving picture patrons. While counter attractions in the town have been frequent of late, the attendance at the Isis shows no decrease in the popularity of the house or in the interest which the people have in seeing every change of programme that Manager Sherwood puts on three times a week.

Miss Nellie Garrick, La Grande's leading soprano, delights the audiences with her tuneful rendering of songs which are also illustrated by high class colored lantern slides.

Tonight and tomorrow, a strong programme is offered in which is an especially good "Gaumont" depicting "The Sealed Letter," a story of an American millionaire winning the sweetheart of a fisherman who only finds out his loss when he opens the "sealed letter" while at sea.

The scene is made more dramatic by the millionaire's private yacht on the way to America passing the fisherman in his boat at the moment of opening the "sealed letter." This film is the perfection of high class photography and should be seen by all.

DANGER IN DELAY

Kidney Diseases are Too Dangerous for La Grande People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in this locality.

G. W. Knight, 513 Franklin street, Pendleton, Ore., says: "Doan's Kidney Pills benefited me so greatly that I do not hesitate to recommend them. For eight or ten years I was troubled by pains across my back and kidneys and at times my loins and sides were affected. I had to get up several times at night to pass the kidney secretions and often noticed sediment in them. Doan's Kidney Pills relieved my aches and pains in a short time and corrected the trouble with the kidney secretions."
