Victim of Drink Needs Orrine

Drink cunningly destroys the will power, and while the drunkard wants to do what you tell him, he wants a thousand times more the drink that he craves. Medical treatment is necessary. Orrine destroys the desire for liquor so that the drink will not be missed and restores the patient to health.

This remedy is thoroughly scientific and is so uniformly successful that it is sold with a guarantee to refund your money if after a trial it has not benefited. Booklet free on request. An Essential Thing

and there are many, in the management of a bank is the personal, painstaking care of its officers. Recognizing this responsibility, the officers of this institution keep themselves in touch with every important detail of the business. And the outcome? A generous, and a steadily increasing patronage.

FRUIT MEN BUY THEM

RAMSEY'S HARDIE SPRAYER IS TO BE VERY POPULAR.

First Sale Made to George Batley of Fruitdale Today.

Hardly had C. O. Ramsey placed the Hardie sprayer on the market in La Grande and the story of the same published in the Observer, reached the people until a demand of some consequence was created and today Mr. Ramsey has been a busy man telling of the points of merits of that machine. George Batley, the large fruitgrower of Fruitdale was the first name on the list to take out a Hardie.

The Hardie is mounted on trucks and is very easy to operate. Its effective work and ease of operation are decidedly strong features of the machine. Three hundred of these machines were sold in Wenatchee district within a year.

Mr. Ramsey has also received a carload of lime and sulphur and a half car of arsenate of lead. The fruit pests will in a short time recognize Ramsey as their mortal enemy in this section.

UMATILLA STOCK MAN HERE

CATTLEMEN OVERLOOKED OPPORTUNITIES, HE SAYS.

Should Have Fed More Stock—Sales Show Good Prices.

J. S. Holmes of Pendleton is registered at the Savoy. Mr. Holmes is one of the most successful farmers and alfalfa raisers and stock feeders in Umatilla county and relative to the conditions there remarked today that cattle feeders made a mistake this year in not feeding more stock. He turned several cars of stock Saturday at 6 cents, farm scale weight.

Mr. Holmes will spend several days in this valley on business matters.
