**DUNBARS COME SATURDAY**

**MUSICAL ENTERTAINMENT BY LYCEUM TOMORROW.**

Praises Are Many and Loud for Ability of Bell Ringers.

Tomorrow evening the well known Dunbar quartet will render the last musical entertainment to be given in the Lyceum course this season. The board at Silverthorne's drug store indicates that the high school auditorium will be well filled and likely to be taxed to its capacity if the early rate of sale of tickets continues.

Ralph Dunbar's cello solos have won splendid praise from exacting critics, who often hear the world's greatest cellists and are only interested in music in its highest developed forms. Others, who enjoy a beautiful melody or prefer the simpler expressions from the noble instrument, are equally pleased. Mr. Dunbar is a splendid artist with an American brain, by the use of which he selects the best of extant cello literature and presents it in a pleasing and satisfactory manner.

The Dunbar trio has achieved real success; the combination of flute, cello and piano, each in capable hands, having long ago proved its right to a place in the realm of chamber music. Mr. Harry Dunbar is a success as a presenter of character sketches, his repertoire covering a variety of subjects in as many dialects. It has been often said that he "was the star of the evening," but the same phrase has been applied to all the other six features presented in a program. The vocal soloists are well worthy of the success they have won and every feature presented is a proved one devoid of all amateurisms. The Dunbars have kept copies of comments to the amount of about one hundred columns a year. Many printed are not seen by them. The following denote the tone of approval that the press has universally awarded them.

Probably no entertainment in the course has given such satisfaction as the Dunbars. Their voices blend beautifully and it seemed that the audience could not get their fill of the delightful music.—Jackson (Mich.) Morning Patriot.

It was entertainment, pure and simple, and the program varied. It was all good, but the bell ringing was particularly delightful.—Wilkesbarre (Pa.) Record.

It is difficult to imagine how a more entertaining program could be made up. The solos of Mr. Felgar and Ralph Dunbar were much enjoyed and the only fault with Harry Dunbar's work is that there was not more of it.—Mansfield (O.) News.

The Dunbars will be in La Grande tomorrow evening at 8:30 p. m. in the high school auditorium.

**THEY ALL DEMAND IT.**

La Grande, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve but do not cure. Here is evidence to prove that Doan's Kidney Pills cure, and the cure is lasting.

H. P. Swisher, 2467 Madison street, Baker City, Ore., says: "Kidney complaint in my case was caused by excessive horseback riding. The back-

ache steadily became worse as time passed and there were other annoying symptoms of kidney complaint. Learning of Doan's Kidney Pills, I began their use and they not only restored my kidneys to a normal condition, but rid me of the backache and pains. I shall always take pleasure in recommending Doan's Kidney Pills." (Statement given November 4, 1907.)

**Lasting Results.**

Mr. Swisher was interviewed on May 28, 1910, and he added to the above: "The cure made by Doan's Kidney Pills in my case has been permanent. I gladly confirm all I have previously said about this remedy."
