Harmon, the general manager of the Eastern Oregon Light and Power company are in the city today looking after business matters. Mr. Cummins is well known here, having spent considerable time in the city during the construction of the power plant.

## A CLEVER PERFORMANCE SURE.

Grande Ronde Dramatic Association Guarantees Strong Number

The Grande Ronde Dramatic association which claims among its members some of the most popular young people in La Grande, asserts that the first performance given by them on next Monday night, will be one of the cleverest amateur shows ever staged in this city.

The play "In Missouri," is well known to the theatre-going public all over the United States as the most powerful play of its kind ever written.

The director of the association states that the cast is a really excellent one, and that everyone connected with Monday night's performance is working conscientiously to make the initial play go like a professional show.

The members of the association are working hard to please the people here and feel confident that they will succeed.

## Auditor Operated Upon.

With Doctor Joyce of Ogden and local physicians in attendance, Auditor Bassett of Ogden who was taken seriously ill a few weeks ago, was operated upon last night at the Grande Ronde hospital. The operation confirmed the diagnoses of a majority of the physicians of this city who had studied the case during the illness. While Mr. Bassett rallied fairly well he is still in a very precarious condition. Dr. Joyce has gone on to Portland.

## Planing Mill Starts.

The planing mill at Perry was started this morning for its season's run.

A bill for the better protection of workmen has been introduced in the Ontario legislature.
