RADIANT HAIR.

Any Woman Can Have It by Using Parisian Sage.

Madam: If your hair isn't just what you would like it to be why don't you use Parisian Sage.

If it does not put life and luster into the hair and cause it to grow abundantly you can have your money back. "I cannot say enough in its favor," from Newlin Drug company.

Two years ago I lost all my hair. I saw Parisian Sage advertised and I thought I would try it. Before I had finished using the first bottle my hair had stopped falling and my head was covered with new hair; also removed all dandruff and today I have a lovely head of hair.

"I think Parisian Sage the best hair restorer and dandruff cure in the world today. It also makes the hair clean, fluffy, and silky, and I would recommend it to every one who wishes a hair restorer and beautifier."—Miss Mary E. Dickson, 287 South avenue, Bridgeton, N. J. 1910.

For men, women and children, there is no hair preparation that equals Parisian Sage; it never disappoints; it does just what the American makers advertise it to do. It banishes dandruff, kills the dandruff germ, stops falling hair or scalp itch, or money back. Sold by Newlin Drug company and druggists everywhere. Large bottle 50 cents.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.
