Wm. H. Turner in "Father and the Boys" coming to the Steward March 27.

Father and the Boys Tonight.

Since the successful days of "David Harum," William H. Turner has been casting about for another play that would afford even a semblance of the laughing possibilities of "Harum." The search has been a long and trying one but Mr. Turner feels that his efforts have been rewarded in "Father and the Boys," in which he will be seen at the Steward tonight. It is an American comedy in George Ade's best vein. Full of character action and complication, entertaining to a degree and with an appealing well told story. The company in support of Mr. Turner includes among others Edith Yeager, a bright and vivacious young lady who as "Becky" in the play we are promised will be one of the real good things of the theatre year.

Ole Olson Is Coming.

Ben Hendrick's comedy, "Ole Olson," is coming to the Steward Thursday, March 30.

"Ole Olson" is the play in which the Swedish dialect was first made use of for stage purposes. This piece has taken its place as a fun maker by the side of the German, Irish and Yankee dialect plays, and "Ole Olson" is equally as interesting and pleasing as any of this style of dramatic work. The character is presented with natural dignity and a full appreciation of comedy effects. The story of course centers around "Ole" and the cool and unruffled manner in which he handles the schemes of the villain never fails to get round of applause, dealing, as it does, with the tribulations of a young widow and the efforts of a faithful young Swedish man whom she has befriended, to lighten her burden. It is told with the natural simplicity that is heart appealing. Mrs. Jordan, the widow, has almost overcome the schemes of an unscrupulous brother-in-law, when her first husband, Jefferson Bassett, whom she has long believed dead, makes his appearance, and co-operates with the scoundrel to secure a fortune left her by her first husband. In the pursuit of this plot they run counter to the young Swede, who instinctively dislikes the two rascals and becomes Mrs. Jordan's self-appointed guardian. The development of the Swedish immigrant from the uncouth and awkward to the Swedish-American of the last act is carried along on lines of mingled comedy and pathos that have "the simple annals of the poor" ever in mind. There will be a very capable company of players. During the action of the play several songs and lullabies and vaudeville numbers will be given.
