WILL GO TO MEDICAL SPRINGS LATE IN JUNE.

Big Meeting Held at Cove Saturday—Program and Big Dinner.

Cove, March 27.—(Special)—One of the biggest gatherings of Granges this winter marked the meeting here under auspices of Pomona Grange last Saturday. An elegant spread was enjoyed following the literary program which was of unusual worth.

It was decided that the granges of Union county should attend a big meeting at Medical Springs, far remote from railroads on the fourth Saturday in June. On that occasion every possible effort will be made by the Medical Springs people to give the Grangers a royal welcome and entertain them splendidly.

ARRESTED MAN NOT WANTED

MAN HELD AT BAKER BELIEVED TO BE INNOCENT.

Portland Arrest of Haines Murder Suspect Thought to Be Wrong.

What is generally believed to be a false alarm is assigned to the arrest in Portland Friday of a suspected principal in the Haines murder case. Sheriff Rand took the man to Baker and this morning the fellow was still in jail there but it is believed the fellow had nothing to do with the shooting of Ed. McColloch at Haines. Sheriff Rand would not discuss the situation this morning while in the city on his way to Salem with a prisoner but word from Baker and Haines dampens who belief that was attached to the man being the one wanted.

Likes Oregon Best.

ATHENA WHEAT EXCELLENT

PROMINENT WHEAT GROWER OF THAT BELT IN LA GRANDE.

June Winds Alone Feared Says Well Known Rancher of Athena.

J. M. Swaggert of Athena was in the city yesterday. Mr. Swaggert is one of the prosperous farmers of the great Athena wheat section—also breeder of pure bred hogs and chickens and in speaking of the coming year's crop in Umatilla county says that acreage is large and growing wheat is looking fine but of course no estimate can yet be given on the crop as the June hot winds are the wheat man's terror, not so much in the wheat belt of Athena Adams and Hilly as below the divide line taking in the Echo country also the Pilot Rock section. While this part of the country produces wheat well and of fine quality the soil is much lighter that more moisture is required to get paying results. Mr. Swaggert registered at the Foley.

ADDITIONAL LOCALS.

Miss Lucy Wade of Imbler leaves tonight for Hare, Curry county, Oregon, to be gone most of the summer.

Miss Delle Kimbame left this morning on No. 6 for a visit with relatives and friends at Weiser, Idaho.

Mrs. Ivy Long Culp is here for a visit with her parents, Mr. and Mrs. W. D. Long.

End-Door Cars Here.

Several automobile box cars were in the local yards this morning. The cars are provided with the wide end doors and automobiles are run out of the end instead of being worked out through side door.
