ELGIN LICENSE MONEY PAID**R. C. MAYS TAKES CHARGE OF POSTOFFICE AT ELGIN.**

Plans for Building New City Hall to Be Hurdled This Week.

Elgin, April 1.—(Special)—Elgin is richer by \$1,000 today with the payment of the first quarter's license from H. Badger, Ott Young, Mike Nelson and John Powell. This is the first under the new license of \$1,000 which became effective today.

Bids will be acted upon at the next council for the sale and removal of the old stage barn from the lots where the city hall will be located. A fine \$10,000 tone city hall will, in its stead, be a wonderful improvement.

The work of replacing the three blocks of water mains along Front street has been delayed on account of fixtures which were ordered having Water was, however, turned on this been delayed enroute from Portland, morning in the block first north of the bank.

R. C. Mays took charge of the post-office this morning, the same to be run at its present stand until authority from Washington can be obtained for its removal to a more central location on Front street.

HOMAN OCCUPIES LOCAL PULPIT**POWER HOUSES WAS HIS THEM YESTERDAY MORNING.**

Salem Pedagogue Addressed Interested Audience Sunday.

President Homan of "Old Willamette," the Methodist college at Salem which has been heavily endowed during the past year and is soon to spread out on a larger field of study, spent yesterday in La Grande, occupying the pulpit at the Methodist church yesterday morning.

Mr. Homan, an educator of repute, is also an orator and a thinker and the two virtues were happily combined yesterday morning.

Power Houses was his subject thought. The point aimed at and admirably brought out was that all great men from Moses down to the present ages have been educated men. The great powerful men in the world's advance have been powerful intellectual store houses, he argued, and the large audience was in perfect harmony with the thought. President Homan is always heard by an interested audience when he speaks from a La Grande pulpit.

THEY ALL DEMAND IT.

La Grande, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve but do not cure. Here is evidence to prove that Doan's Kidney Pills cure, and the cure is lasting.

H. P. Swisher, 2467 Madison street, Baker City, Oregon, says: "Kidney complaint in my case was caused by excessive horseback riding. The backache steadily became worst as time passed and there were other annoying symptoms of kidney complaint. Learning of Doan's Kidney Pills, I began their use and they not only restored my kidneys to a normal condition, but rid me of the backache and pains. I shall always take pleasure in recommending Doan's Kidney Pills." (Statement given November 4, 1907).

Lasting Results.

Mr. Swisher was interviewed on May 28, 1910, and he added to the above: "The cure made by Doan's Kidney Pills in my case has been permanent. I gladly confirm all I have previously said about this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

C. I. Dornberger, of the Famous Pomona Orchards, Locates at Imbler---

Do you think a man, whose life has been spent in developing fruit land, could be induced to leave an orchard such as the Pomona near Dayton, Washington, to locate in an inferior fruit belt?

Well, Mr. Dornberger is the man who has brought the Pomona orchard to national prominence. He is known to every fruit man of the country as an authority on fruit culture, and he has located at Imbler taking charge of the Laidlaw purchase recently made by Dayton capital.

J. F. Steinman, of New York, was through the valley this week. He had been through the entire northwest. What did he say? Simply this: "Without a question of a doubt the Imbler fruit section is positively the best I have seen."

And yet land is purchased today in the Imbler district set to trees for a fourth of what other sections are asking for the same land. Can you not see that a few hundred dollars invested in the Imbler country is bound to yield big returns? Nothing plainer is possible. Before sending a dollar out of Union county for payment for outside stuff investigate this.

Those having good fruitland investment offerings in the Imbler district are:
