ONE OF THE FEATURE SCENES IN "THE SQUAW MAN."

Tickets go on sale tomorrow morning for "The Squaw Man," which comes to the Steward Thursday, April 13. Manager Steward anticipates an early rush for seats as the show is unquestionably one of the real treats of the many good shows presented by the Steward this year.

AFRICANS STUDY OREGON.

Bulletins Used to Teach Natives How to Add to Food Supply.

Corvallis, Ore., April 8.—(Special)—In South Africa the natives are being taught by the Oregon agricultural college bulletins to add to their slender food supply. George A. Roberts, a former student of the college who is now head of the industrial department of the Old Untall Central training school at Rhodesia is using the bulletins from his alma mater in instruction in vegetable growing and poultry raising. Writing Dr. Withcombe, director of the college experiment station, he says:

"The native people are interested in vegetable gardening and fowl raising, as both add to their food supply. At present the food is of the simplest sort, consisting of a round grain cooked to a stiff mush, and a little bit of weed leaves or a few beans cooked in water. During the past three years we have been working on the establishment of a course in agriculture. The work has progressed slowly, and we have had to feel our way, as there has been no previous experience by which we might be guided. The first year consists of judging and treating animals for the simple diseases and the breeding of sheep, goats, pigs and cattle. During the second year our work is devoted to the growing of farm crops, fruit culture and fowl raising."

YOU TAKE NO RISK.

Our Reputation and Money Are Back of This Offer.

We pay for all the medicine used during the trial. If our remedy fails to completely relieve you of constipation. We take all the risk. You are not obligated to us in any way whatever, if you accept our offer. Could anything be more fair for you? Is there any reason why you should hesitate to put our claims to a practical test?

The most scientific, common sense treatment is Rexall Orderlies, which are eaten like candy. They are very pronounced, gentle and pleasant in action, and particularly agreeable in every way. They do not cause diarrhoea, nausea, flatulence, griping or any inconvenience whatever. Rexall Orderlies are particularly good for children, aged and delicate persons.

We urge you to try Rexall Orderlies at our risk. Two sizes, 10c. and 25c. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store, Hills Drug Store.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.

Proposed Changes in LaCrosse.

Toronto, Ont., April 7.—More than ordinary interest is manifested in the annual meeting of the National LaCrosse union at the Prince George hotel in this city tomorrow for the reason that several proposed amendments having an important bearing on the future of the Canadian national summer sport will be considered and acted upon.

The most important of the resolutions to be discussed is that prepared by President W. E. Finley of the Montreal LaCrosse club, who proposes to reduce the length of the field to 100 yards between goals and the teams to 10 men each. By making a uniform

distance and by limiting the distance behind goals in which the ball may be played, Mr. Finley hopes to see a game developed that will appeal more strongly than ever to the spectators. The chief argument advanced in favor of the proposed reduction in the number of players is the saving of salaries.

At its annual meeting the union will also consider a proposal to make the term of office of the president two years instead of one year. Another suggestion to be brought up is the proposal that the National LaCrosse union revert back to field captains.

A Cold, LaGrippe, then Pneumonia

Is too often the fatal sequence. Foley's Honey and Tar expels the cold, checks the lagrippe, and prevents pneumonia. It is a prompt and reliable cough medicine that contains no narcotics. "Foley's Honey and Tar is the best cough remedy I ever used as it quickly stopped a severe cough that had long troubled me," says J. W. Kuhn, Princeton, Neb. Just so quickly and surely it acts in all cases of coughs, colds, lagrippe and lung trouble. It is as safe for your children as yourself, and should be used in all cases of croup, whooping cough and measles cough. Refuse substitutes. Hill's drug store.
