**TICKET SALE IS
 LIBERAL**

180 HAVE PURCHASED TICKETS FOR BENEFIT BALL.

Floor Managers Named and Six-Piece Orchestra Is Hired.

One hundred and eighty tickets have been sold for the park fund benefit dance tonight. Of course many of those who purchased tickets do not dance or perchance cannot attend but the liberal support is flattering to say in the best. A six-piece orchestra will supply the music and there will be plenty of "turkeys in the straw," and similar old time airs that always prove so popular with an informal crowd. The floor managers for the evening will be Messrs. Garie, Oscar Jackson, W. R. Jones, "Bill" Allinson and R. W. Logan. A large attendance is anticipated and this, the first dance after the Lenten season, will likely be a very popular one.

Easter Music at the Isis.

A veritable success, appreciated with unmistakable signs of approval from the vast audience rewarded the Isis last night when the experiment of giving the people high class religious music on such days as Easter Sunday is.

"Christ the Lord is Risen Today" was sung in scores of thousands of sacred edifices yesterday but we will venture to say it was not appreciated better in any instance than it was at the Isis.

Such music is an especial fad of Musical Director King and his arrangement of the setting received well merited approval from those who went to hear it. His full organ accompaniment was a feature of the number. All lovers of music in La Grande know the Isis trio of singers and in their looking for something extra they were who sang her soprano solo with more gratified with Miss Nellie Garrick pleasing effect than we know of her beautiful voice elsewhere.

Mr. C. P. Ferrin worked his tenor voice in a trying solo and in harmony in the finale; with Mr. George Birnie in a specially written baritone part, the whole number ended in a song of

praise that attracted even more than the house could accommodate and, generously enough, during the singing of the number, Manager Sherwood opened wide his front doors so that the waiting crowds (and they were packed beyond the edge of the sidewalk) could hear something of the music.

We want the Isis to give La Grande more of the style they have on special occasions. La Grande will accept it, will expect it and will appreciate it.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.

THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.
 A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 88 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store, Hills Drug Store.
