Geo. W. McMillan's Life Insurance Policy in Oregon Life

On March 31, 1911, Mr. Geo. W. McMillan, President of the McMillan Grain Company, was examined for life insurance by Oregon Life. He passed a first-class examination.

In settlement of the first year's premium the soliciting agent accepted a note payable in thirty days.

In due course of business the policy was issued and sent by registered mail to Mr. McMillan on Friday, April 7, 1911, at 6:15 P. M.

On Friday, April 7, at 6:10 P. M., Mr. McMillan was accidentally killed by being run over by a freight train, a short distance from his place of business.

On Sunday, April 9, funeral services over the remains of Mr. McMillan were held.

On Monday, April 10, a check for \$5000.00, the full amount of his policy in Oregon Life, was paid to the widow.

Mr. McMillan carried insurance in six other companies, and they will undoubtedly in course of time pay the respective amounts due on their policies, but Oregon Life Insurance Company, as always, was first to pay.
