

ROYAL Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

Royal Baking Powder is made from pure grape cream of tartar, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is more economical at its price than any other leavening agent, because of the superlative quality and absolute wholesomeness of the food it makes.

Mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food. In England, France, Germany and some sections of the United States their sale is prohibited by law. Alum is a dangerous mineral acid, and all physicians condemn baking powders containing it.

The label of alum baking powders must show the ingredients.

TONEY & SCRANTON

MORE LAURELS FOR CITY UNIFORMS SLOW IN COMING

McKENNON & CHANDLER EXHIBIT TAKES SCORE AGAIN.

Killing Contest Report Issued From Portland Stock Show.

Aftermath of the recent stock show in Portland brings more glory to La Grande's cattle. The sweepstake prize winners at that eventful show were entered by the owners, McKennon & Chandler in the killing contest and the two-year-olds registered second best of the entire exhibit. The score was close to the winners, owned by Judge Bennett of Th. Dalles.

The La Grande cattle were handicapped because of the young age, whereas the Bennett exhibit was composed of four-year-olds, a better age for scoring in killing contests.

The laurels coming thus late are highly appreciated by the growers here.

ARMISTICE IN MEXICO.

peace terms other than original demands.

He said: "If there is any such movement in Mexico City it means that Diaz is preparing to accept our terms." No Battle at Agua Prieta.

Douglas, April 19.—Expecting to see another brush at Agua Prieta, Douglas citizens rolled out of bed early today, but were disappointed. Juan Cabral, who arrived and camped last night near the town, disappeared to the southward during the night. Federals made no attempt to overtake them.

Juarez Conflict Delayed.

El Paso, April 19.—The rebels are marching toward the southern outskirts of Juarez and federals are preparing for a battle, expected any time, but it is believed Madero is postponing it while he burns railroad bridges for the purpose of preventing any reinforcements reaching the federals.

Three Americans Killed.

Washington, April 19.—Consul Dye at Agua Prieta today telegraphed the war department that three Americans are among the killed in the recent battles there.

Booster Ashley of Baker Here Today

To spread the gospel of Oregonism and more specifically Eastern Oregon will be the object of A. S. Ashley, former publicity manager of the Baker commercial club, who is in La Grande today learning something about how much La Grande will share in the exploitation he will make from an automobile in the middlewestern and eastern states. Mr. Ashley leaves May 1st and takes with him colored slides of not only Baker county but of Union county and its metropolis.

The reason for making the trip by automobile is to make the inland towns and villages which, by reason of the fact, lie remotely from the railroad lines and are seldom if ever visited by such plans. He will call on as many of the rural towns as possible and will devote his entire time to lecturing and showing slides of Eastern Oregon in the middle west. Mr. Ashley aims to show slides from all the towns in Eastern Oregon, and especially from Union county.

LA GRANDE TEAM MUST WAIT FOR NEW RAGS.

Baseball Uniforms Will Not Arrive for at Least Two Weeks.

La Grande's baseball team will have to get along with patched-up uniforms for two weeks at least, for information received today by telegraph states that in order for new uniforms could not be filled for at least two weeks. The order has been placed with a Seattle house and it is likely that the suits will not be seen at home for three weeks as the second week finds La Grande away again.

McGinn's Corner.

"Heck" McGinn's is due to arrive in La Grande tonight or tomorrow morning and will climb the mound for La Grande next Sunday when the team meets Baker. The cold weather is retarding the practice in all parts of the league but the games will be played next Sunday even though the snow flies slightly.

EASTERN STAR AT UNION VISITED

GRAND WORTHY MATRON COMPLETES VISITS.

Some Few Yet to Be Visited About Portland, Then Finished.

Official visitation of all Eastern Star chapters in Eastern Oregon will have been completed this evening when Mrs. H. C. Rinehart, grand worthy matron of the Eastern Star in Oregon, makes her call on the chapter there. The Union chapter is the last in this section of the state to be visited by the grand worthy matron and next week will find Mrs. Rinehart officially visiting the chapters about Portland as far down the Willamette valley as Salem. That done, she will have completed the entire round of chapters.

It requires only one fifth to one third as much acetylene gas as hydrogen to do a given piece of welding.

FOR CATARRH.

Medicine Free in Every Case Where It Fails to Relieve.

Neglect or pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Mucu-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucu-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Mucu-Tone comes in two sizes, 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies only at our store—The Rexall Store, Hills Drug Store.
