Prohibition Orators Attend and Interest at High Pitch.

Waco, Tex., April 21.—The campaign for state-wide prohibition in the state of Texas was opened here today with considerable enthusiasm at the prohibition state convention which met at the Cotton palace today. Practically every district of the state was represented by delegates and the gathering attracted several thousand friends and sympathizers of the prohibition movement from all parts of Texas. This being San Jacinto day, the city was gaily decorated and great throngs from the neighboring rural districts swelled the crowds brought hereby the convention of prohibitionists. The program of the convention, which will long be remembered as one of the greatest gatherings of this kind in the southwestern part of the country, included addresses by many distinguished prohibition orators from this and other states. The campaign ushered in by today's convention will continue until July 22, on which day the constitutional amendment providing for state-wide prohibition in Texas, will be voted on by the voters of the Lone Star state.

BATTLE OF SAN JACINTO COMMEMORATED IN TEXAS.

Cemetery at Huntsville a Gathering Place For Gen. ral's Followers.

Huntsville, Texas, April 21.—The memory of General Sam Houston, who 75 years ago today broke the power of the Mexicans by administering a decisive defeat to the forces of Santa Anna in the battle of San Jacinto was fittingly honored today by the unveiling of a handsome monument over the grave of the famous soldier and statesman in the Huntsville cemetery. The unveiling was an event of statewide interest. Visitors from every section of Texas attended among them being many members of the Society of the Daughters of the Texas Republic, whose annual convention has been in session here this week. Several members of the Houston family were present as guests of honor, together with W. P. Zuber and Alonzo Steele—the only survivors of the battle of San Jacinto. The committee in charge of arrangements was fortunate in securing William J. Bryan to deliver the principal address at the unveiling exercises.

The monument, which cost \$10,000, was erected through an appropriation of the Texas legislature. The memorial consists of a low granite shaft bearing a bas-relief figure of General Houston, mounted upon his favorite charger, with his hat in one hand, waving his troops onward in their attack upon the forces of Santa Anna in the battle of San Jacinto. Upon the two sides of the main shaft are allegorical figures representing war and peace. Upon the reverse side of the shaft appears the Masonic emblem. The memorial was designed by Pompeo Coppini.

San Antonio, Tex., April 21.—This year's annual spring carnival which has attracted many thousands of visitors from all parts of the southwest to this city, culminated in today's "Battle of Flowers," in commemoration of the battle of San Jacinto, in which Texas pioneers broke the Mexican power for all time. Never before did the people of the entire southwest section of the state take so much interest in the celebration as they did this year and the result was the unprecedented success of the carnival and particularly of today's anniversary celebration.

The decoration throughout the city was on a more elaborate scale than ever before in the history of the city and the flower pageant was an event of indescribable beauty and magnificence. Particularly interesting and attractive were the big electrically propelled floats, loaded with flowers and beautiful young women or bearing groups representing many of the most important and stirring scenes and events in the history of the Lone Star state.

THE PROPER COURSE.

Information of Priceless Value to Every La Grande Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with backache, urinary disorders or any form of kidney trouble, the advice contained in the following statement will add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of La Grande citizens who have been permanently cured?

Charles Adams, of Union, Ore., says: "I hold just as high an opinion of Doan's Kidney Pills today as I did in November, 1907, when I publicly recommended them. I was annoyed by attacks of backache and I had other symptoms of kidney trouble. About six years ago I learned of Doan's Kidney Pills and procuring a box, I began their use. They helped me so greatly that I have always kept a supply on hand since. Whenever I feel that my kidneys are in need of a tonic, I take Doan's Kidney Pills and they promptly relieve me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
