Some of La Grande's very best talent in oratorio and music are to appear on a program arranged by Miss N. Lucile Allen and the high school glee club under the direction of Miss Angst, and participated in by Miss Allen's elocution pupils. Some of these pupils have become efficient indeed—many have already heard them on various occasions and delight at the opportunity of doing so again—and aside from the principal numbers which are readings and recitations, high school music talent will be heard, too. Miss Allen is slated for a reading and that will add to the worth of the program. The proceeds, accumulating from a 25 cent admission fee, will go to replenish the English literature library, and thus affords a dual—yes, triple—purpose, for not only will the public have an opportunity to hear some of its reading and music talent but the library will be helped and the pupils themselves will be helped by the appearance before a critical audience. The numbers to be rendered at this event, which occurs at the high school auditorium on April 25 follows:

Reports from Union say all the automobiles in that town have been hired by guests who will come to La Grande Tuesday, and Imbler and Elgin are going to send big delegations, too. An eight-piece orchestra will supply the music. O. A. For the first time in several weeks—since Lenten commenced, to be explicit—the Kaffee Klatch held an evening meeting last night. The post-Lenten card season was opened with auspicious circumstances for Mrs. Franc Wilhelm and Mrs. Adolph Newlin, the hostesses, outdid themselves to open the season with correct attention to all the details that go to make up an enjoyable party. A profusion of flowers decorated the Wilhelm home on First street where the club met and the players were treated to delicious refreshments too. The house decorations were especially pleasing. The first honors of the first game of the spring season were won by Dr. M. K. Hall and Miss Mayme Reith.

Several members of the high school and grade faculties of the La Grande city schools were entertained informally at dinner last Tuesday evening when Mrs. Ruth Bush-Jackson was hostess to some of her intimate teacher friends with whom she was a co-worker when a member of the teaching staff. A four-course dinner was served at 6:30. Cut flowers in plenty were used with good taste in decoration, and cut glass added lustre to the table. The teachers who were guests of the evening were: Mrs. Ingie, Mrs. Bullard, Miss Alleh, Miss Biever, Miss Billings, Miss McHugh and Miss Hill.

A banquet was spread by the members of the Eastern Star at a special meeting Wednesday night, in honor of a visit from the grand worthy matron, Mrs. H. C. Rhehart of Summerville. Some fifty members of the Union chapter were in attendance and a fine time was had. At the close of the meeting at the banquet table, a souvenir spoon was presented to Mrs. Rhehart, by Neva Gillilan, in behalf of the lodge. The Union chapter of the Eastern Star is one of the strongest in the state—Union Scout.

Mrs. F. L. Meyers was hostess yesterday to a few friends with Mrs. William Reavis Dishman of Portland as motif. Mrs. Dishman was guest of honor and about a dozen of her intimate friends when she lived in La Grande, were also guests at the very informal function. Afternoon sewing and light refreshments constituted the outline of the affair. Mrs. Dishman leaves for her home in Portland this evening.

Mrs. J. J. Carr entertained the Bridge club this week at her home and Mrs. Bohnenkamp won the honors. Like the other card and social

Gives Quick Action.
A. T. Hill reports that A SINGLE DOSE of simple buckthorn bark, glycerine, etc., as compounded in Adlerika, the new German Appendicitis remedy, relieves any stomach or bowel trouble. Many La Grande people are being helped.

Lost an Eye.
(Union Republican.)
While pulling a piece of board from a string of barbed wire Wednesday, at the home place just west of Union, Frank Webb had the misfortune to lose an eye, a staple from the wire flying direct for the eye and destroying the sight. Mr. Webb was taken at once to La Grande, where he is receiving treatment, in hope of saving the other eye which is naturally affected by the injury. General sympathy is extended to Mr. Webb in his misfortune. He had rented a piece of land this year and stood to make some money, but this accident will of course put him out of commission for the season.

joining the Detroit Tigers.

Scout Billy Hamilton, of the Boston Nationals, has picked up a youngster named Neeley, a big pitcher from Memphis.

According to a Chicago story, Manager Frank Chance, of the Cubs, will retire from the game for good at the close of the present season.

Very few major league discards will be found in the Central league this season. The managers in that circuit will depend on the youngsters.

Luderns, the Quakers' first baseman pronounces his name "Lu-de-rus," with the accent on the "dee." He is making good at that.

After their long training trips, several of the major league clubs will have to get their real baseball practice during the first two months of the season.

Johnny Kane, who has been a utility

performer with the Cubs for several years, has been released to the Vernon club of the Pacific Coast league.

Jack Doyle, the old New York player, has started the season as an umpire in the National league. May he live long and happy, and be able to dodge successfully.

You can't beat Joe Cantillon. At his Minneapolis ball yard Joe will have girls selling tickets, and "Rube" Waddell performing "right on the in-

side, gents."

The Quakers hammer Christy Mathewson for fifteen base hits and then the Polo grounds stands are destroyed by fire. Guess they will keep "Red" Doolin out of New York after this.

It was reported a short time ago that Brooklyn intended to slip Bill Bergen his passport and lead him to the Big Bridge. Nothing like that in Bill's family, if his work in the opening games at Boston is considered.
