* Measurement of Subscriptions.

For convenience in estimating the relative standing of contestants, subscriptions to the Observer are measured out into votes, according to the length of time paid for. Old subscribers as well as new, by paying arrears or by paylog in advance or by paying both in advance and trears, may help the candidates. A blank for the convenience of those who wish to vote on account of a payment on subscription in favor of a canddiate is printed herewith, also a schedule of voting power of subscriptions.

Whether in advance or in arrears payments on the La Grande Evening Observer for more than one year give a premium of 3,000 extra votes for each year so paid; on the Weekly Observer a premium of 1,000 extra votes for each year so paid. The premium is the same whether the subscribr is new or old. The 3,000 votes for each extra year paid on the Evening Observer and the 1,000 votes for each extra year paid on the Wekely Observer are in addition to the ones earned by the regular schedule as printed blow.
