BETTER THAN SPANKING
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

WORRY KILLS MORE MEN THAN WORK--

More worry and gray hairs are caused by money matters—perhaps—than any other one thing.
The man with money in the bank looks the World straight in the eye. He gets all there is out of Life. Worry is a stranger to him. He knows that in the event of sickness or loss of employment he has something to fall back on that won't fail him.
This feeling—this sense of security—is best appreciated by the man who has experienced it.

If not, we invite you to call and talk it over with us. It will be to our mutual advantage.
