Does 50 Per Cent

Profit Interest You?

We have a ten acre orchard a mile from town that made better than fifty per cent of the purchase price over and above all expenses last year. This property is getting better every year, and besides making a nice home, is certainly a good investment. Come in and let's talk it over.

While we have property for sale in all parts of the valley, we just call your attention to a few of our exceptional bargains. 160 acres, 8 miles from town, county road on two sides, good buildings, railroad siding at corner of place, land suitable for fruit, grain or alfalfa. Price \$95.00 per acre.

80 acres of the best sand-dog, and near the foot of Mt. Emily, on county road that will be macadamized this year. This tract is all in cultivation, a portion in alfalfa. It is almost adjacent to some of the largest round valley. This land is suitable for most and purpose and will make you money from the day you buy it. Price of the 80 acres, only \$8,500.00.

40 acres three miles west of Summerville, about one third cleared and in timothy, all the very best of soil, no rock, some fine timber, a new house that cost \$800.00 and other new improvements. There is a fine stream of water crossing this place and the soil is some of the best in the valley. The owner lives in the east and is very anxious to sell. I will only take a small amount of cash to handle it, with one and two years on deferred payments. Come in and see about the price on this; it will surprise you.

Have a fine ten acre orchard tract in Fruitdale, which belongs to an estate. This property must be sold, price and terms exceeding good. A fine revenue producing home.

PRIZES REGARDLESS OF DISTRICTS.

The three candidate who, at the end of the contest have more votes than any of their rivals, may, at the expense of the Observer, extend their trips on to San Francisco.

The four candidates who range next in standing, regardless of districts, will be entertained at the Hotel Gearhart, Gearhart Park, By-the-Sea.

All winning candidates will be given side trips to all points of interest in and about Portland; and will be taken to the leading places of amusement and recreation.

Instead of taking a trip, any winning candidate may have music lessons to the value of \$50 or a scholarship in Whitman college; in the Baker City business college or choice of several other colleges. In lieu of the San Francisco trips scholarships valued at \$100 will be arranged for, in case exchange is desired.

Measurement of Subscriptions.

For convenience in estimating the relative standing of contestants, subscriptions to the Observer are measured out into votes, according to the length of time paid for. Old subscribers as well as new, by paying arrears or by paying in advance or by paying both in advance and arrears, may help the candidates. A blank for the convenience of those who wish to vote on account of a payment on subscription in favor of a candidate is printed herewith, also a schedule of voting power of subscriptions.

Whether in advance or in arrears payments on the La Grande Evening Observer for more than one year give a premium of 3,000 extra votes for each year so paid; on the Weekly Observer a premium of 1,000 extra votes for each year so paid. The premium is the same whether the subscriber is new or old. The 3,000 votes for each extra year paid on the Evening Observer and the 1,000 votes for each extra year paid on the Weekly Observer are in addition to the ones earned by the regular schedule as printed below.

COASTER-BRAKES, \$10.00 Hedgehorn Puncture-Proof \$4.80 Self-healing Tires. A SAMPLE PAIR TO INTRODUCE, ONLY \$4.80

NO MORE TROUBLE FROM PUNCTURES. Hedgeshorn's Puncture-Proof tires are made of a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than ordinary tires, the puncture-resisting qualities being given by several layers of thin, specially prepared fabric on the tread. The regular price of these tires is \$10.00 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. We ship C. O. D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

WITH ORDER and enclose this advertisement. You run no risk in sending us an order as the tires may be returned at our expense if for any reason they are not satisfactory on examination. We are perfectly satisfied and money sent to us has no use as in a bank. If you order a pair of these tires, you will find that they will ride better, run faster, wear better, last longer and look better than any tires you have ever used or seen at any price. We know that you will be so well pleased that you will want a bicycle and a pair of tires. We want you to send us a trial order at once, hence this remarkable tire offer.

IF YOU NEED TIRES, don't buy any kind at any price until you send for a pair of Hedgeshorn's Puncture-Proof tires on approval and trial at the special introductory price of \$4.80 per pair. Write us today. DO NOT WAIT. Write us a postal today.
