**UNION TAKES UP LOCAL PLAN**

**TWO-COUNTY PUBLICITY CAMPAIGN FOSTERED.**

La Grande Commercial Club Met With Hearty Accord Last Night.

Union Business men and commercial interests have entered into the La Grande plan of two-county publicity with whole-souled accord, following a "get together" meeting at Union last night, attended by a delegation of La Grande commercial club men. La Grande's presentation to Union laid the joint publicity scheme before the Union people and it was speedily adopted as the most feasible one yet advanced. Union and Wallowa county are to share jointly in the expense of exploitation and each town big and small is to have just space. A whole lot of detail matter was gone over at the meeting and the La Grande people came home enthused with the warm reception given them and with the hearty co-operation evidenced by Union.

The people who represented La Grande are: F. M. Slough, Commercial club manager, W. M. Pierce, J. J. Carr, J. C. Henry, Mack Wood, C. C. Penington and F. J. Holmes.

**MINNICK BOY IS INJURED**

PROBABLE THAT HE WILL LOSE ONE EYE.

Union Youngster Sent to Baker for Treatments for Injuries.

Clifford Minnick, the five year old son of J. W. Minnick of Union, is today suffering from painful injuries of his right eye.

The little fellow has a block of wood at home in which he has been in the habit of pounding nails. Yesterday morning he was using the hammer as usual when he drove a nail into a cartridge that had become imbedded in the wood. The cartridge exploded, lacerating his left hand, cutting a gash above his right eye and injuring the eye so that he will probably never be able to see out of it again. He was taken to Baker for medical treatment and is getting along nicely, although he is suffering much pain.
