### KNIGHTS TO HAVE BIG TIME

LA GRANDE WILL BE MEETING PLACE FOR OVER 200. Knights of Columbus Order to Be Established Here

La Grande is to have a large order of the Knights of Columbus. Not only that, the day of initiation which is a week from Sunday will witness a gathering of some of the most eminent men in this part of the country. Lodge men from Walla Walla to Boise are coming to see the work done and help perform it.

Charles P. Murphy, of Baker City, is in La Grande today making preliminary arrangements for installation of a Knights of Columbus organization. This event will take place a week from Sunday and already a list of out of town guests has reached a large number. Forty new members are to be taken in here and several from the surrounding country. Baker will send at least 25 Knights and other cities will be well represented to assist in installing the order.

### Rainbow Mine Sold

(Baker Herald.) The famous Rainbow mine in the Mormon Basin district has been sold to the U. S. Smelting & Refining Co. for a consideration of \$750,000, the sum of \$200,000 being paid in cash. The deal was closed yesterday and immediate possession of the property was given by the Commercial Mining company, owners of the mine.

The mine has been "sold" two or three times before, but the purchasers failed to complete the deal. The mine was reported to be sold for \$1,000,000 last fall to a big eastern corporation, but they failed to take over the property.

The mine is one of the best producers in Eastern Oregon, and is equipped with a 19-stamp mill. The property is a regular producer and indication are that it will be one of the biggest producers in the west. According to reports when the last sale was reported there was more than a million dollars worth of ore in sight.

The success of the mine is due to the untiring energy of W. E. King, the managing director, who took the property when it was merely a prospect and has developed it until it has proved to be a producer of value. Mr. King is now in Chicago, having gone east to close the deal.

No one thing gives a young man more prestige among business men than a bank account. The fact that a man has money in the bank, betokens habits of thrift and frugality. It is an index to a young man's character. Nothing so begets a feeling of confidence and self-reliance, as a healthy, growing bank account. To those who have not yet established themselves, we invite a careful consideration of our institution. Our strength, and our high position in the community, are unquestioned.
