THE THEATRE OF QUALITY.

PROGRAM

Those who saw it yesterday declare it to be the finest of its kind ever seen in La Grande.

Wonderfully enacted scenes. Explosion in coal mine and a realistic rescue.

"What Happened to Auntie" Essanay
This is a good one. Auntie gets married and loses her husband immediately.

Our Interest In You

Does not cease when we have sold you a Kodak. Picture taking is very simple now but if there are any little points that bother you, we are cheerfully ready to help you out. The very complete little instruction books that the kodak company issues, show that they, too, are interested in your success. But we are here on the ground. Let us show you how simple it all is. "At Home with the Kodak," is the title of an illustrated and clearly written little book that the kodak people have issued on home portraiture.

Whether you have a camera or not we will be glad to give you a copy. Drop us a postal, or if convenient, call at the store.

La Grande People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously.

But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—

If there are settlements and sediment, Passages frequent, scanty, painful, It's time then to use Doan's Kidney Pills.

To ward off Brights disease or dropsy.

Doan's have done great work in this locality.

Mr. R. H. Hedrick, 619 Thompson street, Pendleton, Ore., says: "I can speak a good word for Doan's Kidney Pills as they were used in my family with the best of results. The person who took this remedy complained a great deal of a dull pain across the back and was also troubled by irregular passages of the kidney secretions. The use of two boxes of Doan's Kidney Pills corrected these difficulties and there has been no return attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
