

GRAND VIEW ADDITION

Grand View Addition is the most beautiful spot about La Grande. You can purchase a lot in Grand View Addition and have three years' time in which to make payment for same, and during that time you have neither interest nor taxes to pay.

Let this sink in deep.

Then come to our office or call us up on the phone and request us to show you this property.

If you have never invested in real estate before this is your opportunity to get the proper start.

If you have made investments in real estate, avail yourself of this opportunity to make comparisons.

The terms are such that no sacrifice will have to be made in order to meet them.

If this addition was located near a town with a less bright future before it than La Grande, it would still be an excellent investment, and with the future La Grande has before it, the increase in the value of these lots will be phenomenal.
