Fine Week End Program.

"The theatre of quality" as the Isthmian is well known now, has a very fine program for tonight. The wonderful scenes portrayed in "A Republican Marriage" a dramatic incident in the French revolution received many expressions of approval from the audience last night.

"The Diver" is another fine piece of work by the Kalem company, showing how the bottom of the ocean is inspected. A splendid showing is made of the blowing up of a wreck by dynamite in the St. John's river.

The change in program for tomorrow and Monday will feature a beautiful and stirring story of the civil war. It is magnificently mounted and acted. A fine comedy picture is our old friend Bumpulous of the Edison company and his mother in law. Friends and admirers of this favorite comedian will appreciate this picture.
