the San Antonio Texas League team. He is an outfielder.

Dodo Cris of the Browns is a better pinch hitter than he is a pitcher. He has worked in the box two games this season and lost both of them.

Despite a wet, cold spring and a cut in the salary limit the Virginia league teams are moving right along, and doing business at the same old stand.

It looks as if the teams in the second division of the National league have little or no chance to break through and enjoy the company of the elite in the first division.

George Mullin of the Tigers says he will have an operation performed on his nose after he has lost a game. George doesn't fancy the surgery stuff, hence his winning right along.

KEEP AN EYE ON JACKSON.

Cleveland's Crack Young Outfielder Out For Batting Honors This Season.

Probably the work of no player on the Cleveland team is being more closely watched than that of Joe Jackson, the Naps' brilliant center fielder. The young ex-Southern leaguer, who led the American league batters last year with an average of .387 for the twenty games in which he participated, has declared he is out for the batting honors of the country. Last summer Jackson was a sensation in the field, at bat and on the base lines in the Southern circuit. He looked like four aces to a man with his last peso in a showdown to the Cleveland fans last fall.

This season he appears to be as good if not a bit better than the closing days of 1910. He is a terrific hitter, wielding a bat that would make a Samson hesitate. American league pitchers say they will find his weakness pretty soon and slow him up, but old timers who have watched him shake their heads and insist the soft spoken boy is an-

other Lajoie, a batter without a weakness. It is certain that Jackson last fall faced the best pitchers in the league and that they all bowed before him. In addition to his speed of batting, Jackson is as fast a man as Ty Cobb.

He covers a wonderful amount of ground in the outfield, and his throwing is of the sort that makes the base sit up and toss their bats into the air. Jackson played with the New Orleans club last season and led his league in batting with a percentage of .354.

GRAND VIEW

ADDITION

Grand View Addition is the most beautiful spot about La Grande. You can purchase a lot in Grand View Addition and have three years' time in which to make payment for same, and during that time you have neither interest nor taxes to pay.

Let this sink in deep. Then come to our office or call us up on the phone and request us to show you this property.

If you have never invested in real estate before this is your opportunity to get the proper start.

If you have made investments in real estate, avail yourself of this opportunity to make comparisons.

The terms are such that no sacrifice will have to be made in order to meet them.

If this addition was located near a town with a less bright future before it than La Grande, it would still be an excellent investment, and with the future La Grande has before it, the increase in the value of these lots will be phenomenal.
