NEW HOTEL AT KAMELA SOON

"NEW WALDORF" TO BE STARTED WITH "EXERCISES."

Huckleberries Plentiful—Town of Kamela Has Boom This Year.

Kamela, May 15.—(Special)—It is now the hope of the proprietor, C. A. Norden, to have his latest addition to Kamela, "The New Waldorf" ready for occupancy by June 10. The ceremonies in connection with the laying of the corner stone, are set for Decoration day, May 30th. An elaborate program is being arranged and a number of well known citizens from surrounding towns will be invited to participate. The affair will mark an epoch in the history of that picturesque little hamlet on the summit.

Huckleberries Many. As far as can be learned now the huckleberry crop this year will be an unusually large one, and with good hotel facilities assured, pickers can come from far and near and be assured good rooms when the new hotel is completed. Expect Many Campers.

It is also expected that many campers will be brought to the summit this summer during the hot months for town now, or will soon be, a source of supplies for all sorts of needed supplies. The county road, or the Oregon train is to be changed to run by Kamela from Pendleton to La Grande, and this will put Kamela on the highway in much better shape than it was before. Automobiles will make their routes by this place hereafter with greater ease than before. All this is adding to the usefulness of the town of Kamela and the little town is enjoying a boom.

DANGER FOR LA GRANDE

PEOPLE—APPENDICITIS

Many La Grande people have wind or gas in the stomach or bowels, sour stomach or constipation and do not know that these are symptoms of chronic appendicitis which may any minute become acute. They should try simple buckthorn bark, glycerine, etc., as compounded in Adler-Ika, the new German appendicitis remedy—A SINGLE DOSE will bring relief. A. T. Hill states that the QUICK action of Adler-Ika is a constant surprise to people.

Dickens' Literary Gains.

The papers have often printed a great deal of pure nonsense on the subject of Dickens' literary gains. Dickens is stated to have died leaving "earnings that often seem to a respectable solicitor." This is rubbish. Dickens left \$100,000 in round figures, and this did not include a considerable sum of money that he had settled some years before his death. His readings (1858-9) had brought in about £30,000. It is forgotten that Dickens began life without one penny and that every farthing he spent or gave away or left was earned by himself, only excepting £2,000 which was bequeathed to him by a friend about two years before his own death. Dickens lived liberally (some people said extravagantly) for about thirty-four years, he brought up and started in life a large and very expensive family, and he gave away a great deal of money to needy relatives. — London Truth.

HELPFUL HINTS ON

HAIR HEALTH.

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a husband is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at our store—The Rexall Store Hills Drug Store.
