We have some beauties in Blue or Black Serges at \$20.00, \$25.00 or \$30.00.

Our Serges are fine close woven fabrics that we know all about. We guarantee them.

Splendid tailoring all through. The shaping and the proportions are perfect.

ing to grab the wild heaver.

Maddox and O'Connor, the former Pirate battery, are working for the Kansas City club in the American Association.

Major league scouts are sizing up Davis, the Williams college pitcher who has trimmed both Yale and Princeton.

Mike Donlin may join the Boston Rustlers. Mike has been out of the game two years, but claims he is still there as a hitter.

Eddie Collins, the star second sacker of the champions, says the Athletics will repeat this season, and put Detroit down with the tunnel diggers.

Pitcher Frank Smith will now have a chance to show his wares to Manager Griffith of the Cincinnati Reds. Frank was a star with the White Sox for several years.

Accident insurance amounting to \$100,000 has been taken out on the Cleveland players. If this is true, Bill Dahlen should be able to take out \$500,000 on the Brooklyn Dodgers.

In the recent Boston-Cincinnati series the pitchers got all that was coming to them. Ten home runs were hit during the series and the scorers had a hard time to keep track of the singles, doubles and triples.

If a rule were passed prohibiting a city having two good ball teams at the same time, St. Louis fans wouldn't object, and Philadelphia fans would kick their heads off. Funny, how unreasonable some people are.

Jesse Burkett is on the job playing right field for his Worcester team. Jess had decided not to play ball this season, but when the New England battle opened, the old soldier couldn't stand the rifle.

Charley Dryden says that Ping Bodie of the White Sox, is as fresh as a crate of new cucumbers. In a recent game Ping became peeved at a decision of Umpire Bill Dineen, and started to do a bush league jig. Just leave it to Bill to grab that kind of a stunt. He copped Ping and shook him like Lizale shakes a dust cloth.

FIFTY MILES; \$20.

Arthur Hertz Hears the Judge and Jingles Gold for Fine.

"The evidence shows Mr. Kertz, that you were running your Regal auto over the streets of La Grande at a rate of 50 miles an hour and therefore it is necessary for me to impose a fine of \$25 upon you. No, I'll not do that, I'll make it an even twenty."

These were the words of Police Judge Humphreys this morning when the case of City of La Grande vs. Arthur H. Kertz, charged with speeding, called. Mr. Kertz is one of those good natured men inclined to represent the cartoon—"nobody loves a fat man"—and after hearing the words of the judge he smiled, unrolled a bunch of greenbacks that would choke a mule and replaced the roll in his pocket. Turning to his partner he asked for a twenty dollar gold piece which was given him.

"You see, your honor," said Kertz, politely, "I have a conscientious scruple about payin' a fine in anything but gold—the coin which carries the intrinsic value and besides in this mountain country I was afraid that a municipality such as La Grande would not accept rag money."

Judge Humphreys took the twenty and looked straight at Mr. Kertz. It was a case of fat men meeting, and each is good natured. "My friend," said the judge "if I thought, sir, that there was the least ring of sarcasm in your remark the dignity of this city would force me to raise that fine to fifty. But there was not and therefore I would admonish you in the future to keep a tight rein on that filley called 'Regal.' It is a likely looking buzz wagon and if you treat it right in the future, I don't believe this court will be forced to fine a Regal driver."

With proper bowing Mr. Kertz left the court. He met fat Foiey on the sidewalk, who had enjoyed the whole affair very much. "When Kertz saw Pat's good humor over the incident he remarked, 'Now, none of that; you come out into the country and I'll sic that Regal onto your Marion in such a way that will resemble a stag hound chasing a coyote.'"

GRAND VIEW

ADDITION

Grand View Addition is the most beautiful spot about La Grande. You can purchase a lot in Grand View Addition and have three years' time in which to make payment for same, and during that time you have neither interest nor taxes to pay.

Let this sink in deep.

Then come to our office or call us up on the phone and request us to show you this property.

If you have never invested in real estate before this is your opportunity to get the proper start.

If you have made investments in real estate, avail yourself of this opportunity to make comparisons.

The terms are such that no sacrifice will have to be made in order to meet them.

If this addition was located near a town with a less bright future before it than La Grande, it would still be an excellent investment, and with the future La Grande has before it, the increase in the value of these lots will be phenomenal.
